HB 442, AN ACT relating to the Education Professional Standards Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.030 is amended to read as follows:

(1) ***Notwithstanding the age of the pupil,*** the certification of all teachers and other school personnel is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board.

(2) Certificates shall be issued to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.

(3) Initial certification of all new teachers shall require the successful completion of appropriate written tests prior to certification. The tests shall be selected by the Education Professional Standards Board and shall measure communication skills, general knowledge, professional education concepts, and knowledge in the specific teaching field of the applicant. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each test. The tests shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the tests and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the written tests, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the tests if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the tests. If the teacher fails the tests, the temporary certificate shall be valid only for the current semester.

(4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the tests shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any test to repeat that test, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Department of Education shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.

(5) All new teachers, and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.

(6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator from a state-approved teacher training institution to be appointed by the president of that institution. If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal. In unusual situations, the chief state school officer may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee. If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor

from the school district. In the case of a nonpublic school, if the teacher training institution is unable to provide a member to serve on the beginning teacher committee, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator. The resource teacher shall be appointed by the Department of Education from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Department of Education for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Department of Education. Priority shall be given to resource teachers with the same certification as the teacher intern in the following order:

(a) Teachers in the same school;

(b) Teachers in the same district; and

(c) Teachers in an adjacent school district.

The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.

(7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher; twenty (20) of these hours shall be observing the beginning teacher in the classroom setting; fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.

(8) By contract with teacher education institutions in the Commonwealth, the chief state school officer shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the examinations as prescribed by the Education Professional Standards Board.

(9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3) of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3) of this section, and for the opportunity to serve the internship for a period of four (4) years after establishing eligibility. If the internship is not completed within the four (4) year period, the applicant must reestablish eligibility by repeating and passing the testing program in effect for new teachers at that time.

(10) The Education Professional Standards Board shall approve the curricula of any standard college or university, or of any department thereof, for the training of teachers, and shall also approve the curricula of any local district alternative certification program, when the curricula comply with the administrative regulations of the Education Professional Standards Board for the issuance of certificates and when the institution has met the terms and conditions provided in KRS 161.010 to 161.120. Any student who has completed any of these curricula, as approved by the Education Professional Standards Board, and who has completed the prescribed requirements for the issuance of certificates shall be granted a certificate corresponding to the curricula completed.

HB 490, AN ACT relating to school athletics.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 156.070 is amended to read as follows:

(1) The State Board for Elementary and Secondary Education shall have the management and control of the common schools and all programs operated in these schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.

(2) The State Board for Elementary and Secondary Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that the board shall adopt administrative regulations providing for the appeal to the board of any decisions made by the designated managing organization or agency.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which a Kentucky state university or community college offers an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which universities and community colleges offer scholarships.

(b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity wrestling, soccer, and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The State Board for Elementary and Secondary Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity wrestling, soccer, and football for students who have not successfully completed the eighth grade.

(3) (a) The State Board for Elementary and Secondary Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the State Board for Elementary and Secondary Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The State Board for Elementary and Secondary Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

HB 534, AN ACT relating to unemployment insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 341.030 is amended to read as follows:

(1) As used in this chapter, unless the context clearly requires otherwise, and except as provided in subsections (2) to (6) of this section, "wages" means all remuneration for services, including commissions, bonuses, and, except for services performed in agriculture and domestic employment, the cash value of all remuneration in any medium other than cash. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the commission.

(2) Amounts paid to traveling salesmen or other workers as allowance or reimbursement for traveling or other expenses, incurred on the business of the employing unit, constitute wages only to the extent of the excess of such amounts over such expenses actually incurred and accounted for by the worker to his employer; provided, however, that the cash value of meals and lodging when furnished to the worker for the convenience of the employer shall not constitute wages.

(3) For purposes of this chapter, the term "wages" includes tips which are:

(a) Received while performing services which constitute employment; and

(b) Included in a written statement furnished to the employer pursuant to Section 6053(a) of the Internal Revenue Code; and

(c) Shall be treated as having been paid by the employing unit.

(4) "Wages" does not include the amount of any payment made to, or on behalf of, a worker under a plan or system established by an employing unit that makes provision for its workers generally or for a class of its workers, including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment, on account of:

(a) Retirement;

(b) Sickness or accident disability***, or medical and hospitalization expenses in connection with accident or sickness disability, but only those payments which are received under a workers' compensation law or paid after the expiration of six (6) calendar months following the last calendar month in which the employee worked for the employer,***

(c) Medical and hospitalization expenses in connection with accident or sickness disability; or

(d) Death, if the worker has not:

1. The option to receive, instead of provision for such death benefit, any part of the payment, or if such death benefit is insured, any part of the premiums or contributions to premiums paid by his employing unit; and

2. The right, under the provisions of the plan or system or policy of insurance providing for such death benefit, to assign such benefit, or to receive a cash consideration in lieu of it either upon his withdrawal from the plan or system providing for such benefit or upon termination of such plan or system or policy of insurance or of his employment with such employing unit.

(5) "Wages" does not include the amount of any payment made by an employing unit without deduction from the remuneration of the worker of the tax imposed under Section 3101 of the Internal Revenue Code or any payment required from an employer under a state unemployment compensation law with respect to remuneration paid to an employee for

domestic service in a private home of the employer or for agricultural labor.

(6) "Wages" does not, for the purposes of KRS 341.260 to 341.310, include that part of remuneration which, after wages equal to eight thousand dollars ($8,000) have been paid in a calendar year to a worker by a subject employer or his predecessor with respect to covered employment during any calendar year, is paid to such worker by such subject employer during such calendar year unless that part of the wages is subject to a tax under a federal law, imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment fund. For the purpose of this subsection, the term "covered employment" shall include service constituting covered employment under any unemployment compensation law of another state.

Section 2. KRS 341.350 is amended to read as follows:

An unemployed worker shall, except as provided in KRS 341.360 and 341.370, be eligible for benefits with respect to any week of unemployment only if:

(1) He has made a claim for benefits;

(2) ***(a)*** He has registered for work with respect to such week in accordance with regulations prescribed by the secretary; ***and***

(3) He is physically and mentally able to work;

(4) He is available for suitable work, and making such reasonable effort to obtain work as might be expected of a prudent person under like circumstances;

(5) His base-period wages in that calendar quarter of his base period in which such wages were highest are equal to at least seven hundred fifty dollars ($750), and his total base-period wages are not less than one and one-half (1-1/2) times the base-period wages paid to him in such quarter and he was paid base-period wages in the last six (6) months of his base period equal to at least eight (8) times his weekly benefit rate with a minimum of seven hundred fifty dollars ($750) earned outside the high quarter;

(6) An otherwise eligible worker shall not be denied benefits under subsection (4) of this section or because of his failure to actively seek work, nor disqualified under paragraph (a) of subsection (1) of KRS 341.370 with respect to any week he is in training with the approval of the secretary.

(7) Notwithstanding any other provisions of this chapter, no otherwise eligible worker shall be denied benefits for any week because he is in training approved under 19 U.S.C. 2296 (Section 236(a)(1) of the Trade Act of 1974), nor shall such worker be denied benefits by reason of leaving work to enter such training provided such work is not suitable employment, or because of the application to any such week in training of provisions in this law (or any applicable federal unemployment compensation law) relating to availability for work, active search for work, or refusal to accept work. For purpose of this subsection, the term "suitable employment" shall mean employment of a substantially equal or higher skill level than the worker's past adversely affected employment as defined in 19 U.S.C. 2319 (Trade Act of 1974), and wages for such work are not less than eighty percent (80%) of the workers' average weekly wage as determined for purposes of the Trade Act of 1974.

(8) The foregoing eligibility requirements and the conditions of benefit disqualifications imposed by KRS 341.370 shall be strictly construed. Nothing in this section, excepting subsection (5), nor in KRS 341.360 or 341.370 shall affect the establishment of a "benefit year."

Section 3. KRS 341.570 is amended to read as follows:

(1) In any civil action to enforce the provisions of this chapter or in which the commission or the cabinet is an interested party, the commission or the cabinet may be represented by any qualified attorney who is designated by the secretary for that purpose. The expenses and compensation of such special attorney and any experts employed in connection with such proceedings shall be considered a proper cost of the administration of this chapter.

(2) All criminal actions for violation of any provision of this chapter, or of any rules or regulations issued under it, shall be prosecuted by the Attorney General of this state, or, at his request and under his direction, by the county attorney or Commonwealth attorney of any county in which the employing unit has a place of business or the violator resides ***or has filed a claim***.

Section 4. KRS 341.710 is amended to read as follows:

(1) A worker shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the secretary finds that with respect to such week:

(a) He is an "exhaustee" as defined in subsection (6) of KRS 341.096, and

(b) He has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to workers claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

(2) A worker shall not be eligible for extended benefits for any week if:

(a) Extended benefits are payable for such week pursuant to an interstate claim filed in any state under the interstate benefit payment plan, and no extended benefit period is in effect for such week in such state. However, this provision shall not apply with respect to the first two (2) weeks for which extended benefits are payable to a worker pursuant to an interstate claim filed under the interstate benefit payment plan; or

(b) The secretary finds that during such period:

1. He failed to accept any offer of suitable work (as required for extended benefits), or he failed to apply for any suitable work to which he was referred by the secretary; or

2. He failed to actively engage in seeking work as defined in this section.

(3) Any individual who has been found ineligible for extended benefits by reason of the provisions set forth in this section shall be denied benefits for the week in which such failure occurred and thereafter until he has been employed in each of four (4) subsequent weeks (whether or not consecutive) and has earned at least four (4) times his weekly benefit rate in bona fide full-time covered employment.

(4) For the purpose of this section, a worker shall be treated as actively engaged in seeking work during any week if:

(a) Such worker has engaged in a systematic and sustained effort to obtain work during such week, and

(b) Such worker furnishes tangible evidence that he has engaged in such effort during such week.

(5) The secretary shall refer any claimant entitled to receive extended benefits to any suitable work which meets the criteria as required in KRS 341.712 for workers claiming extended benefits.

(6) Notwithstanding any other provisions of this chapter, if the benefit year of any worker ends within an extended benefit period, the remaining balance of extended benefits that such worker would, but for this section, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero (0)) by the product of the number of weeks for which the worker received any amounts as trade adjustment allowances within that benefit year, multiplied by the worker's weekly benefit amount for extended benefits.

(7) Pursuant to Public Law 102-318, the requalification and eligibility requirements for extended benefits as defined in subsections (2), (3), (4), and (5) of this section are suspended for weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. During this period, the requirements for qualification and payment of extended benefits will be determined in accordance with those prescribed for regular unemployment insurance.

Section 5. KRS 341.712 is amended to read as follows:

(1) No work shall be deemed to be suitable work for a worker making a claim for extended benefits, nor a disqualification imposed for refusal thereof, which does not accord with the labor standard provisions required by 26 U.S.C. 3304(a)(5) (Section 3304(a)(5) of the Internal Revenue Code of 1954) and set forth herein under KRS 341.100, or if a worker would not be denied benefits by reason of the requirements set forth in KRS 341.350 as required by 26 U.S.C. 3304(a)(8) (Section 3304(a)(8) of the Internal Revenue Code of 1954).

(2) For purposes of this section, the term "suitable work" shall mean, with respect to any worker, any work which is within such worker's capabilities, provided, however, that the gross average weekly remuneration payable for the week must exceed the sum of:

(a) The worker's extended weekly benefit amount as determined under this chapter, plus

(b) The amount, if any, of supplemental unemployment benefits as defined in 26 U.S.C. 501(c)(17)(D) (Section 501(c)(17)(D) of the Internal Revenue Code of 1954) payable to such worker for such week; and further

(c) Pays wages not less than the higher of:

1. The minimum wage provided by 29 U.S.C. 206 (Section 6(a)(1) of the Fair Labor Standards Act of 1938) without regard to any exemption; or

2. The applicable state or local minimum wage;

(d) Provided, however, that no worker shall be denied extended benefits for failure to accept an offer of or apply for any job which meets the definition of suitability as described above if:

1. The position was not offered to such worker in writing or was not listed with the employment service; or

2. Such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants as provided in this chapter to the extent that such criteria of suitability in that section are not inconsistent with the provisions of this subsection; or

3. The worker furnishes satisfactory evidence to the secretary that his prospects for obtaining work in his customary occupation within a reasonably short period are good. If such evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such worker shall be made in accordance with the definition of suitable work for regular benefit claimants without regard to the definition specified in this section.

4. Pursuant to Public Law 102-318, suitable work standards for extended benefits claimants as defined in this section are suspended for weeks of unemployment beginning after March 6, 1993, and before

January 1, 1995. During this period, suitable work is to be determined in accordance with the standards prescribed for regular unemployment insurance.

Section 6. KRS 341.990 is amended to read as follows:

(2) Any person subpoenaed to appear and testify or produce evidence in an inquiry, investigation, or hearing conducted under this chapter who fails to obey the subpoena shall be guilty of a Class B misdemeanor.

(4) Any person who violates subsection (2) of KRS 341.470 shall be guilty of a Class A misdemeanor.

(6) (a) Any person who knowingly makes a false statement or representation, or who knowingly fails to disclose a material fact to prevent or reduce the payment of benefits to any worker entitled thereto, or to avoid becoming or remaining subject to this chapter, or to avoid or reduce any payment required of an employing unit under this chapter shall be guilty of a Class A misdemeanor unless the liability avoided or attempted to be avoided is one hundred dollars ($100) or more, in which case he shall be guilty of a Class D felony.

(b) Any person who willfully fails or refuses to furnish any reports required, or to produce or permit the inspection or copying of records required in this chapter shall be guilty of a Class B misdemeanor. Each such false statement, representation or failure and each day of failure or refusal shall constitute a separate offense.

(7) In any prosecution for the violation of subsection (5) or (6) of this section, it shall be a defense if the person relied on the advice of an employee or agent of the department.

(8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. But the board may, upon at least sixty (60) days' notice and a hearing to the employer, revoke the certificate upon satisfactory evidence for such revocation having been presented. (2) Benefits awarded under this chapter to an employee of an insolvent self-insured employer and whose security deposit was insufficient to cover the benefits awarded, shall be paid by the Kentucky Workers' Compensation Funding Commission out of the assets of the special fund created pursuant to KRS 342.120. The provisions of this subsection shall apply to injuries and diseases occurring, and benefits awarded pursuant to those injuries and diseases, for the period extending from January 1, 1982 until the General Assembly enacts legislation that protects the benefits awarded to injured workers of insolvent self-insured employers or self-insurance groups.

HB 388, AN ACT relating to the funding of the statewide public advocacy system, and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 31.051 is amended to read as follows:

(1) With the exception of the administrative fee contained in subsection (2) of this section, all moneys received by the public advocate from indigent defendants pursuant to KRS Chapter 31 or which are collected by the public advocate pursuant to KRS Chapter 431 shall be credited to the public advocate fund of the county in which the trial is held and shall not be credited to any general account maintained by or for the public advocate. Moneys credited to a county public advocate fund may be used only to support the public advocate program of that county.

(2) Any person provided counsel under the provisions of this chapter shall be assessed at the time of appointment, a nonrefundable forty dollar ($40) administrative fee, payable, at the court's discretion, in a lump sum or in installments. The court may reduce or waive the fee if the person remains in custody or does not have the financial resources to pay the fee. In any case or legal action a needy person shall be assessed a total administrative fee of no more than forty dollars ($40), regardless of the stages of the matter at which the needy person is provided appointed counsel. In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.

(3) The administrative fee shall be in addition to any other contribution or recoupment assessed by the court pursuant to KRS 31.120 and shall be collected in accordance with that section.

(4) The administrative fees collected pursuant to this subsection (2) shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

Section 2. KRS 31.120 is amended to read as follows:

(1) The determination of whether a person covered by KRS 31.110 is a needy person shall be deferred no later than his first appearance in court or in a suit for payment or reimbursement under KRS 31.150, whichever occurs earlier. Thereafter, the court concerned shall determine, with respect to each step in the proceedings, whether he is a needy person. However, nothing herein shall prevent appointment of counsel at the earliest necessary proceeding at which the person is entitled to counsel, upon declaration by the person that he is needy under the terms of this chapter. In that event, the person involved shall be required to make reimbursement for the representation involved if he later is determined not a needy person under the terms of this chapter. At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person for whom a public defender has been appointed is able to pay a partial fee.

(2) In determining whether a person is a needy person and in determining the extent of his, and, in the case of an unemancipated minor under KRS 31.100(3)(c), his custodial parent's or guardian's inability to pay, the court concerned shall consider such factors as income, property owned, outstanding obligations, and the number and ages of his dependents. Release on bail, or any other method of release provided in KRS Chapter 431, shall not necessarily prevent him from being a needy person. In each case, the person, and, if an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian***,*** subject to the penalties for perjury, shall certify by affidavit of indigency ***which shall be*** compiled by the pre-trial release officer[~~, where practical~~], as provided under KRS Chapter 431 and Supreme Court Rules or orders promulgated pursuant thereto, the material factors relating to his ability to pay in the form the Supreme Court prescribes.

(3) It shall be prima facie evidence that a person is not indigent or needy within the meaning of this chapter if he and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), if his custodial parent or guardian:

(a) Owns real property in the Commonwealth or without the Commonwealth;

(b) Is not receiving, or if not receiving is not eligible to receive, public assistance payments at the time the affidavit of indigency is executed;

(c) Has paid money bail (other than a property bond of another), whether deposited by himself or another, to secure his release from confinement on the present charge of which he stands accused or convicted; or

(2) The fee shall be imposed in all cases but shall be subject to the provisions of KRS 534.020 relating to the method of imposition and KRS 534.060 as to remedies for nonpayment of the fee.

(3) The service fee shall be utilized to fund enforcement of this chapter and for the support of jails, recordkeeping, [~~and~~] treatment and education programs authorized by this chapter***, and the Department of Public Advocacy***.

Section 4. The funds made available to the trust and agency account established by Sections 1 and 3 of this Act are hereby appropriated for expenditure for the purposes provided for by this Act.

The Committee Substitute to **HB 388** is as follows:

HB 388, AN ACT relating to the funding of the statewide public advocacy system, and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 31.051 is amended to read as follows:

(1) With the exception of the administrative fee contained in subsection (2) of this section, all moneys received by the public advocate from indigent defendants pursuant to KRS Chapter 31 or which are collected by the public advocate pursuant to KRS Chapter 431 shall be credited to the public advocate fund of the county in which the trial is held and shall not be credited to any general account maintained by or for the public advocate. Moneys credited to a county public advocate fund may be used only to support the public advocate program of that county.

(2) Any person provided counsel under the provisions of this chapter shall be assessed at the time of appointment, a nonrefundable forty dollar ($40) administrative fee, payable, at the court's discretion, in a lump sum or in installments. The court may reduce or waive the fee if the person remains in custody or does not have the financial resources to pay the fee. In any case or legal action a needy person shall be assessed a total administrative fee of no more than forty dollars ($40), regardless of the stages of the matter at which the needy person is provided appointed counsel. In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.

(3) The administrative fee shall be in addition to any other contribution or recoupment assessed by the court pursuant to KRS 31.120 and shall be collected in accordance with that section.

(4) The administrative fees collected pursuant to this subsection (2) shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

Section 2. KRS 31.120 is amended to read as follows:

(1) ***(a)*** The determination of whether a person covered by KRS 31.110 is a needy person shall be deferred no later than his first appearance in court or in a suit for payment or reimbursement under KRS 31.150, whichever occurs earlier. Thereafter, the court concerned shall determine, with respect to each step in the proceedings, whether he is a needy person. However, nothing herein shall prevent appointment of counsel at the earliest necessary proceeding at which the person is entitled to counsel, upon declaration by the person that he is needy under the terms of this chapter. In that event, the person involved shall be required to make reimbursement for the representation involved if he later is determined not a needy person under the terms of this chapter. At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person ***who has requested*** [~~for whom~~] a public defender [~~has been appointed~~] is able to pay a partial fee***, if indigent, or can afford to retain the services of a private attorney. If the person can prove, under oath, at a subsequent hearing or by a pro se written motion with appropriate documentation that a licensed attorney in Kentucky will not represent him for a reduced fee or a fee paid in installments, the court may appoint a public defender. The court may inquire of the person seeking free legal representation what specific attorneys he contacted. The court may allow, if deemed necessary, any public defender to represent a person at his arraignment only upon a claim of indigency if the court is unable, at that time, to verify the claim***.

(b) The judge at the arraignment, during the nonadversarial hearing, shall specifically inquire as to the person's employment status and, if the person is unemployed, or is unable to afford counsel, shall specifically inquire as to how the person financially supports himself, and as to his current living and financial arrangements with other parties. If a public defender is appointed, at every stage of the subsequent criminal proceedings, the court shall conduct a similar inquiry as to the person's unemployment status, and as to his living arrangements and financial arrangements.

(2) In determining whether a person is a needy person and in determining the extent of his, and, in the case of an unemancipated minor under KRS 31.100(3)(c), his custodial parent's or guardian's inability to pay, the court concerned shall consider such factors as income, property owned, outstanding obligations, and the number and ages of his dependents. Release on bail, or any other method of release provided in KRS Chapter 431, shall not necessarily prevent him from being a needy person. In each case, the person, and, if an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian, subject to the penalties for perjury, shall certify by affidavit of indigency ***which shall be*** compiled by the pre-trial release officer[~~, where practical~~], as provided under KRS Chapter 431 and Supreme Court Rules or orders promulgated pursuant thereto, the material factors relating to his ability to pay in the form the Supreme Court prescribes.

(3) It shall be prima facie evidence that a person is not indigent or needy within the meaning of this chapter if he and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), if his custodial parent or guardian:

(a) ***Is employed, in any capacity, unless he becomes unemployed during the proceedings and his attorney has withdrawn as his counsel as a direct result thereof;***

(b) Is an adult or a minor and lives in a residence where he is supported by others, unless he becomes dispossessed and the support is terminated during the proceedings;

(c) Owns real property in the Commonwealth or without the Commonwealth;

(d)[~~(b)~~] Is not receiving, or if not receiving is not eligible to receive, public assistance payments at the time the affidavit of indigency is executed;

(e)[~~(c)~~]Has paid money bail (other than a property bond of another), whether deposited by himself or another, to secure his release from confinement on the present charge of which he stands accused or convicted; or

(f)[~~(d)~~] Owns more than one (1) motor vehicle.

(4) To the extent that a person covered by KRS 31.110, and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian, is able to provide for an attorney, the other necessary services and facilities of representation, and court costs, the court shall order payment in an amount determined by the court and may order that the payment be made in a lump sum or by installment payments. The determination shall be made at each stage of the proceedings.

(5) The court shall order all moneys collected pursuant to subsection (4) of this section be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the Office for Public Advocacy on a monthly basis a copy of all the orders and the moneys collected pursuant thereto with an accounting as to each case.

(6) The affidavit of indigency, to be subscribed and sworn to by the person, and, in the case of an unemancipated minor under KRS 31.100(3)(c), by his custodial parent or guardian, shall be as set out herein:

Section 4. KRS 31.185 is amended to read as follows:

(1) Any defending attorney operating under the provisions of this chapter is entitled to use the same state facilities for the evaluation of evidence as are available to the attorney representing the Commonwealth. If he considers their use impractical, the court concerned may authorize the use of private facilities to be paid for on court order by the county.

(2) The fiscal court of each county containing less than ten (10) circuit judges shall annually appropriate twelve and a half ($0.125) cents per capita of the population of the county, as determined by the Council of Local Governments' most recent population statistics, to a special account to be administered by the Finance and Administration Cabinet to pay court orders entered against counties pursuant to subsection (1) of this section. The funds in this account shall not lapse and shall remain in the special account.

(3) The Finance and Administration Cabinet shall pay all court orders entered pursuant to subsection (1) of this section from the special account until the funds in the account are depleted. If in any given year the special account including any funds from prior years is depleted and court orders entered against counties pursuant to subsection (1) of this section for that year or any prior year remain unpaid, the Finance and Administration Cabinet shall pay those orders from the Treasury in the same manner in which judgments against the Commonwealth and its agencies are paid.

(4) Only court orders entered after July 15, 1994, shall be payable from the special account administered by the Finance and Administration Cabinet or from the Treasury as provided in subsections (2) and (3) of this section.

(5) Each county with a judicial district containing ten (10) or more Circuit Judges shall be solely liable for any court order entered against it pursuant to subsection (1) of this section.

Section 5. KRS 31.200 is amended to read as follows:

(1) Subject to KRS 31.190, any direct expense, including the cost of a transcript or bystander's bill of exceptions or other substitute for a transcript that is necessarily incurred in representing a needy person under this chapter, is a charge against the county on behalf of which the service is performed***; provided, however, that such a charge shall not exceed the established rate charged by the Commonwealth and its agencies.***

(2) The cost of a transcript or bystander's bill of exceptions or other substitute for a transcript shall be paid from the special account established in KRS 31.185(2) and in accordance with the procedures provided in KRS 31.185(3).

(3)[~~(2)~~] If two (2) or more counties jointly establish an office for public advocacy, the expenses not otherwise allocable among the participating counties under subsection (1) shall be allocated, unless the counties otherwise agree, on the basis of population according to the most recent decennial census.

(4)[~~(3)~~] Expenses incurred in the representation of needy persons confined in a state correctional institution shall be borne by the state Department of Public Advocacy.

Section 6. The funds made available to the trust and agency account established by Sections 1 and 3 of this Act are hereby appropriated for expenditure for the purposes provided for by this Act.

HB 412, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 532.030 is amended to read as follows:

(1) When a person is convicted of a capital offense he shall have his punishment fixed at death, ***or at a term of imprisonment for life without benefit of probation or parole,*** or at a term of imprisonment for life without benefit of probation or parole until he has served a minimum of twenty-five (25) years of his sentence, or to a sentence of life, or to a term of not less than twenty (20) years.

(2) When a person is convicted of a Class A felony he shall have his punishment fixed at imprisonment in accordance with KRS 532.060.

(3) When a person is convicted of an offense other than a capital offense or Class A felony, he shall have his punishment fixed at:

(a) A term of imprisonment authorized by this chapter; or

(b) A fine authorized by KRS Chapter 534; or

(c) Both imprisonment and a fine unless precluded by the provisions of KRS Chapter 534.

(4) In all cases in which the death penalty may be authorized the judge shall instruct the jury in accordance with subsection (1) of this section. The instructions shall state, subject to the aggravating and mitigating limitations and requirements of KRS 532.025, that the jury may recommend upon a conviction for a capital offense a sentence of death, ***or at a term of imprisonment for life without benefit of probation or parole,*** or a term of imprisonment for life without benefit of

probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, or a sentence of life, or to a term of not less than twenty (20) years.

Section 2. KRS 532.025 is amended to read as follows:

(1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed, a hearing shall be conducted. In such hearing, the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas; provided, however, that only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments, the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment;

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating circumstances:

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions;

2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, rape in the first degree, or sodomy in the first degree;

(b) Mitigating circumstances:

2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;

3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act;

4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime;

8. The youth of the defendant at the time of the crime.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 620.040 is amended to read as follows:

(1) Upon receipt of a report alleging abuse or neglect by a parent, guardian, or person exercising custodial control or supervision, pursuant to KRS 620.030(1) or (2), the recipient of the report shall forthwith notify the cabinet or its designated representative, the local law enforcement agency or Kentucky State Police, and the Commonwealth's or county attorney of the receipt of the report ***unless they are the reporting source***. The cabinet shall investigate the matter immediately and within ***seventy-two (72)*** [~~forty-eight (48)~~] hours, exclusive of weekends and holidays, make a written report to the Commonwealth's or county attorney and the local enforcement agency or Kentucky State Police concerning the action which has been taken on the matter. If the report alleges abuse or neglect by someone other than a parent, guardian, or person exercising custodial control or supervision, the cabinet shall forthwith notify the Commonwealth's or county attorney and the local law enforcement agency or Kentucky State Police.

(2) Upon receipt of a report alleging dependency pursuant to KRS 620.030(1) and (2), the recipient shall forthwith notify the cabinet or its designated representative. The cabinet shall investigate reports of alleged dependency not later than forty-eight (48) hours after receipt of the report but need not notify the local law enforcement agency or Kentucky State Police or county attorney or Commonwealth's attorney of such reports. If the cabinet or its designated representative receives a report of abuse by other than a parent, guardian, or other person exercising custodial control or supervision of a child, it shall forthwith notify the local law enforcement agency or Kentucky State Police and the Commonwealth's or county attorney of the receipt of the report and its contents and they shall investigate the matter. The cabinet or its designated representative may participate in an investigation of noncustodial abuse at the request of the local law enforcement agency or the Kentucky State Police.

(3) School personnel or other persons listed in KRS 620.030(2) do not have the authority to conduct internal investigations in lieu of the official investigations outlined in this section.

(4) (a) If, after receiving the report, the law enforcement officer, the cabinet, or its designated representative cannot gain admission to the location of the child, a search warrant shall be issued by the judge to the appropriate law enforcement official upon probable cause that the child is dependent, neglected, or abused. If, pursuant to a search under a warrant a child is discovered and appears to be in imminent danger, the child may be removed by the law enforcement officer.

(b) If a child who is in a hospital or under the immediate care of a physician appears to be in imminent danger if he is returned to the persons having custody of him, the physician or hospital administrator may hold the child without court order, provided that a request is made to the court for an emergency custody order at the earliest practicable time, not to exceed seventy-two (72) hours.

(c) Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person exercising custodial control or supervision if there exists reasonable grounds for the officer to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents or other person exercising custodial control or supervision are unable or unwilling to protect the child. The officer or the person to whom the officer entrusts the child shall, within twelve (12) hours of taking the child into protective custody, request the court to issue an emergency custody order.

(d) When a law enforcement officer, hospital administrator, or physician takes a child into custody without the consent of the parent or other person exercising custodial control or supervision, he shall provide written notice to the parent or other person stating the reasons for removal of the child. Failure of the parent or other person to receive notice shall not, by itself, be cause for civil or criminal liability.

(5) (a) One (1) or more multidisciplinary teams may be established in every county or group of contiguous counties.

(b) Membership of the multidisciplinary team shall include representatives of the cabinet, the Kentucky State Police, other local law enforcement agencies with investigation responsibilities in child sexual abuse cases, the Commonwealth's and county attorneys, and other professionals whose participation the multidisciplinary team believes is important to carry out its purpose.

(c) The multidisciplinary team may review child sexual abuse cases referred by participating professionals, including those in which the alleged perpetrator does not have custodial control or supervision of the child, or is not responsible for the child's welfare. The purpose of the multidisciplinary team shall be to review investigations, assess service delivery, and to facilitate efficient and appropriate disposition of cases through the criminal justice system.

(d) The team shall hold regularly scheduled meetings if new reports of sexual abuse are received or if active cases exist. At each meeting, each active case shall be presented and the agencies' responses assessed.

(e) The multidisciplinary team shall provide an annual report to the public of nonidentifying case information to allow assessment of the processing and disposition of child sexual abuse cases.

(f) Multidisciplinary team members, and anyone invited by the multidisciplinary team to participate in a meeting, shall not divulge case information, including information regarding the identity of the victim or source of the report. Team members, and others attending meetings, shall sign a confidentiality statement that is consistent with statutory prohibitions on disclosure of this information.

(g) The multidisciplinary team may establish operating rules and procedures as it deems necessary to carry out the purposes of this subsection.

(h) The multidisciplinary team review of a case may include information from reports generated by agencies, organizations, or individuals that are responsible for investigation, prosecution, or treatment in the case, KRS 610.320 to KRS 610.340 notwithstanding.

(2) The person designated pursuant to subsection (1) of this section may expend principal or income of the principal's estate, if it is not required for the support of the principal or the principal's family members during the principal's lifetime, towards the establishment of an estate plan for the purpose of minimizing income, estate, inheritance, or other taxes payable out of the principal's estate. However, the person designated pursuant to subsection (1) of this section shall not act pursuant to this section unless the District Court of the judicial district where the principal resides permits the designated person to make gifts of the principal's real or personal property, outright or in trust, and to release, execute, exercise, renounce, disclaim, or assign powers, property and trust rights and interests, options, rights, and beneficiary designations on behalf of the principal, with full substitution of judgment, to or for the benefit of:

4.[~~(d)~~] Extend funds of the ward's estate for the support of persons legally dependent on the ward*; and*

However, the District Court may appoint separate counsel to represent the ward prior to the guardian's taking any action pursuant to this subparagraph, and the guardian shall not act pursuant to this subparagraph, unless the District Court permits the guardian to make gifts of the ward's real or personal property, outright or in trust, and to release, execute, exercise, renounce, disclaim, or assign powers, property and trust rights and interests, options, rights, and beneficiary designations on behalf of the ward, with full substitution of judgment, to or for the benefit of:

(7) Funds expended under this section may be paid by a guardian to any person, including the ward, to reimburse for expenditures that the guardian might have made, or in advance for services to be rendered to the ward if it is reasonable to expect the services will be performed and advance payments are customary or reasonably necessary under the circumstances.

(8) When a ward attains age eighteen (18), the guardian, after meeting all claims and expenses of administration, shall pay over and distribute all funds and properties to the ward as soon as possible, unless:

(a) The ward has been determined to be disabled or partially disabled under KRS 387.500 to 387.770, in which event the ward's funds and properties shall be paid over and distributed to the guardian, limited guardian, conservator, or limited conservator appointed pursuant to KRS 387.500 to 387.770; or

If the action, claim, or proceeding has not been filed in any court, the District Court of the county where a guardian qualified shall approve the settlement or compromise. Upon approval of a settlement or compromise, a guardian may execute a release on behalf of the ward. A guardian shall receive any proceeds from a settlement for management in accordance with the provisions of this statute.

However, the District Court may appoint separate counsel to represent the ward prior to the guardian's taking any action pursuant to this subsection, and the guardian shall not act pursuant to this subsection unless the District Court permits the guardian to make gifts of the ward's real or personal property, outright or in trust, and to release, execute, exercise, renounce, disclaim or assign powers, property and trust rights and interests, options, rights, and beneficiary designations on behalf of the ward, with full substitution of judgment, to or for the benefit of:

HB 448, AN ACT relating to hazardous materials.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 174.425 is amended to read as follows:

The provisions of KRS 174.400 to ***174.425*** [~~174.435~~] shall not apply to hazardous materials shipped by [~~or for~~] the United States government [~~for military or national security purposes or which relate to national defense~~]. Nothing herein shall be construed as requiring the disclosure of any defense information or restricted data as defined in ***42 U.S.C. Section 2011 et seq. and 42 U.S.C. Section 2. KRS 174.400 is amended to read as follows:

Due to the central geographical location of the Commonwealth with respect to the hazardous materials industry, and since most predictions indicate that the amount of hazardous material in transport should substantially increase in the future, it is the intent of KRS 174.405 to ***174.425*** [~~174.435~~] to provide for the public health and safety of the citizens and to protect the environment of the Commonwealth when any hazardous material is being transported within, or, in the case of radioactive materials, within or through this state.

Section 3. KRS 174.405 is amended to read as follows:

(49 U.S.C. sec. 1801, et seq.) and regulations issued pursuant thereto, including but not limited to hazardous and radioactive waste, but shall not include agricultural wastes, coal mining wastes, utility waste (fly ash, bottom ash, scrubber sludge), sludge from water treatment and sewage treatment facilities, cement kiln dust, gas and oil drilling muds, oil production brines or waste oil.

(4) "Hazardous waste" means a substance or material defined as hazardous waste by KRS Chapter 224 and regulations issued pursuant thereto.

(5) "Radioactive material" means any material or combination of material, which spontaneously emits ionizing radiation. Materials in which the estimated specific activity is not greater than 0.002 microcuries per gram of material, and in which the radioactivity is essentially uniformly distributed, are not considered to be radioactive materials.

(6) "Radioactive waste" means any waste substance or combination of substances, in any form which because of its radioactive material content may create a threat to public health or to animal, plant, and aquatic life forms.

(7) "Vehicle" means any device or contrivance for carrying or conveying persons, property, or substances, including conveyance by highways or by airway.

Section 4. KRS 174.410 is amended to read as follows:

The specific nature and details of the assistance effort shall be established by a formal cooperative agreement acceptable to the cabinets, and all activities shall occur in accordance with the terms of the agreement. The agreement shall address and include, but not necessarily be limited to, the following items:

(a) As a part of routine and periodic transportation checks and inspections, ensure that shipments of hazardous waste do not present a threat to the public or the environment; are accompanied by the required hazardous waste manifest or such other shipping or delivery documents as may be acceptable to the Natural Resources and Environmental Protection Cabinet; and comply with applicable shipping standards;

(b) Upon receipt of a written request from the secretary or general counsel of the Natural Resources and Environmental Protection Cabinet, actively conduct field investigations relating to the illegal, improper, or unauthorized transport of hazardous waste in the state. Such investigations may, at a minimum, include passive and active surveillance, apprehension, and reporting, with the scope and extent of each investigation to be previously agreed to by the involved cabinets;

(c) Compile and maintain such necessary records as may normally be required to carry out the provisions of this subsection and shall for minor violations report quarterly, and for major violations report weekly, to the Natural Resources and Environmental Protection Cabinet on the status of the interagency hazardous waste transportation monitoring and enforcement activity for irregularities or violations;

(d) Provide such information, evidence, and other support, either in written form or in the form of oral testimony during a legal proceeding or both, as may be required by the Natural Resources and Environmental Protection Cabinet to fully carry out its statutory responsibility under the appropriate sections of KRS Chapter 224;

(2) Effective January 1, 1981, no person involved exclusively in the intrastate movement of materials shall haul, transport, or cause to be transported on any public way within the Commonwealth any hazardous material unless such person holds a valid permit or certificate issued by the cabinet or its designated agent.

(3) Carriers of radioactive materials and intrastate carriers of other hazardous materials required to obtain permits or certificates pursuant to KRS Chapter 281 shall be required to provide annually the following information in a form

designated by the cabinet:

In carrying out the provisions of KRS 174.400 to ***174.425*** [~~174.435~~], the secretary shall not duplicate the enforcement and inspection activities performed by the federal government.

the extended weight coal or coal by-products haul road system. Such cooperative agreements shall provide for an equitable apportionment of the incremental costs for design, maintenance, construction or reconstruction of those roads and bridges, except those roads and bridges which are part of the federal interstate highway system, resulting from the transportation of coal by trucks transporting coal in excess of the maximum weight limits on the state-maintained system and covered by the cooperative agreement. Nothing contained herein shall effect the continuing validity of any existing agreement.

(2) Notwithstanding KRS Chapter 143 the total tax contributions from any person entering into a cooperative agreement, as specified in this section, shall not exceed, in the aggregate, the sum of five thousand dollars ($5,000) per mile per year on those roads covered by the cooperative agreement, but shall equal a minimum of one thousand two hundred dollars ($1,200) per motor vehicle hauling coal over those cooperative road segments over three (3) miles in length, but such contribution shall not exceed ten cents ($0.10) per ton of coal hauled on cooperative roads per year from an individual coal operator unless otherwise agreed to by the operator. The Transportation Cabinet may allow any person, under the cooperative agreement, to provide for the design, approved maintenance, construction or reconstruction provided for in subsection (1) of this section in accordance with guidelines or standards prescribed by the cabinet. In the event any person exceeds his annual total tax contribution as authorized under a cooperative agreement, such person may petition the commissioner of vehicle regulation for a carry over for future years liability. All funds collected pursuant to this section shall be expended on those roads covered by the cooperative agreement.

(3) Notwithstanding any provision of KRS 177.976 to 177.981 or 186.057, the Commonwealth shall not be relieved of expending its normal routine maintenance on all roads covered by the cooperative agreements.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.131 is amended to read as follows:

(1) When a bond for an interim or preinterim program permit was forfeited prior to July 15, 1988, by the cabinet, and the entire forfeited amount is not necessary to establish proper drainage and revegetation on the permit area for which it was submitted, the cabinet may use any remaining funds to supplement reclamation of other forfeited or released permit areas, if ***the*** {~~such~~} other permit areas endanger public health and safety.

(2) When the bond for an interim or permanent program permit is forfeited by the cabinet, and the entire forfeited amount is more than the amount necessary to complete reclamation, the unused funds ***less any interest that has accrued*** shall be returned to the party from whom they were collected, subject to the cabinet's right to attach or set off ***the*** {~~such~~} proceeds under other state laws.

Section 2. KRS 350.139 is amended to read as follows:

(1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the Natural Resources and Environmental Protection Cabinet through the payment of fees and civil penalties shall be deposited in the State Treasury to the credit of the general fund ***except as provided in KRS 350.990(1)***. All funds from the forfeiture of bonds shall be placed in the State Treasury ***in an interest-bearing account*** and credited to a special agency account. ***The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in KRS 350.131(1), forfeited bond funds*** {~~As far as is practicable, this fund~~} shall be expended upon the lands for which the bond was given. ***The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.***

(2) The State Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

Section 3. KRS 350.990 is amended to read as follows:

(1) Any permittee, person, or operator who violates any of the provisions of this chapter or ***administrative*** regulations

adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Department of Law. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755 ***until the fund reaches seven million dollars ($7,000,000) or such higher amount as may be established by the most recent actuarial study, after which excess money collected shall be deposited fifty percent (50%) to the bond pool fund and fifty percent (50%) to the supplemental fund established under KRS 350.139(1), and used for the purposes of that section. If the bond pool fund falls below seven million dollars ($7,000,000) or such higher amount as may be established by the most recent actuarial study, all excess moneys shall be deposited in the bond pool fund until that fund reaches seven million dollars ($7,000,000) or such higher amount as may be established by the most recent actuarial study***. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Department of Law shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or

any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.

(b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.

(8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

(f) Pertinent sections of the National Electrical Code.

(3) A score of at least eighty (80) percent on each of the [~~five (5)~~] written tests ***shall*** [~~will~~] be deemed to be a satisfactory grade. Recognition shall be given to practical experience in that one (1) percentage point shall be added to an individual's score in each test for each additional year of experience beyond the one (1) year minimum requirement specified in subsection (1)[~~(e)~~] of this section; however, in no case shall an individual be given more than five (5) percentage points for such practical experience.

(4) An individual may, within thirty (30) days from the date on which he received notification from the department of his test scores, repeat those on which he received an unsatisfactory score. If further retesting is necessary after this initial repetition, a minimum of thirty (30) days from the date of receipt of notification of the initial retest scores shall elapse prior to such further retesting***, whereupon the entire series of written tests shall be retaken***.

(5) An individual qualified and certified in accordance with this section shall, in order to retain qualification and certification, satisfactorily complete ***annually*** a retraining program ***approved by the department*** [~~annually~~].

Section 2. KRS 352.220 is amended to read as follows:

(1) The following shall apply to underground installations:

(a) On all haulage roads, landings, and partings, where men are required to regularly work or pass under bare power wires placed less than six and one-half (6-1/2) feet above the top of the rail, suitable protection shall be provided. This protection shall consist of channeling the roof, placing boards along the wires and extending below them, or the use of some other approved device that affords protection;

(b) All machine feed wires shall be placed on insulators which shall be so placed as to prevent the wires coming in contact with the coal;

(c) When the machine or feed wires are carried in the same entry as the trolley wire, they shall be placed on the same side as the trolley wire, between the trolley wire and rib, and shall be protected from contact therewith. Positive feed wires crossing places where persons or animals are required to travel shall be safely guarded or protected from such persons or animals coming in contact therewith, as provided in paragraph (a) of this subsection;

(d) All trolley and positive feed wires shall be placed on opposite sides of track from refuge holes or necks of rooms when so ordered by the department, but wires, when protected as provided for in paragraph (a) of this subsection, may be placed across the necks of rooms. Switches or circuit breakers shall be provided to control the current at the mine and all important sections in the mine;

(e) All power wires and cables in hoisting shafts or manway compartments shall be properly insulated, substantially fixed, and well protected;

(f) Ground wires for low-voltage circuits shall be at least ***one-half (1/2)*** [~~one-fourth (1/4)~~] as large as the circuit wires;

(g) Extra length or long trailing cables [~~preferably~~] shall be spread out in long open loops on clean, well rock-dusted floor where the cable can be protected against mechanical injury, but cables in suspended long loops ***shall*** [~~will~~] be acceptable;

(h) One (1) temporary splice may be made in any trailing cable. No temporary splice shall be made in a trailing cable within twenty-five (25) feet of the machine except cable reel equipment. Temporary splices in trailing cables shall be made in a workmanlike manner and shall be mechanically strong and well insulated. Trailing cables or hand cables which have exposed wires or which have splices that heat and spark under load shall not be used;

(i) Single conductor trailing cables shall not be used on cutting machines;

(j) [~~Low and medium voltage~~] Three-phase alternating-current circuits used underground shall contain either a direct or derived neutral which shall be grounded through a suitable resistor at the power center, and a grounding circuit, originating at the grounded side of the grounding resistor, shall extend along with the power conductors and serve as a grounding conductor for the frames of all the electrical equipment supplied power from that circuit[~~, except that the commissioner or his authorized representative may permit underground low and medium voltage circuits to be used underground to feed such stationary electrical equipment if such circuits are either steel armored or installed in grounded rigid steel conduit throughout their entire length~~];

(k) The frames of hand-held electrically driven tools and portable sump pumps shall be properly grounded, and ***the hand-held tools and portable pumps shall be properly protected by fuses, circuit breakers, or other no less effective devices to provide the minimum overload and short-circuit protection required by the department*** [~~they shall be provided with fuses or circuit breakers~~];

(l) All pump frames and all pipe lines shall be grounded to the rail or the grounding system at about two hundred (200) foot intervals, except nonmetallic pipes or pipes using insulated type couplings or pipes installed remotely from track or power systems;

(m) Where track is used for the return circuit, at least one (1) side must be bonded to the full length of the trolley wire installation. Cross-bonds shall be installed not to exceed two hundred (200) foot intervals along the track;

(n) After June 16, 1972, all underground high-voltage transmission cables shall be installed only in regularly inspected air courses and haulageways, and shall be covered, buried, or placed so as to afford protection against damage, guarded where men regularly work or pass under them unless they are six and one-half (6-1/2) feet or more above the floor or rail, securely anchored, properly insulated, and guarded at ends, and covered, insulated, or placed to prevent contact with trolley wires and other low-voltage circuits. Underground high-voltage cables used in resistance grounded systems shall be equipped with metallic shields around each power conductor, with one (1) or more ground conductors having a total cross-sectional area of not less than one-half (1/2) the power conductor, and with an insulated internal or external conductor not smaller than No. 8 (AWG) for the ground continuity check circuit;

(o) High voltage cables shall have disconnecting switches, overload protective devices, and lightning arresters at~~[,]~~ or near the outside end of the cable;

(p) Permanent battery charging stations, permanent pump installations, motor generator sets, rotary converters, and oil filled transformers and switches used underground shall be housed in fireproof enclosures ventilated by a separate split of air direct to the main return. Underground stations containing transformers or circuit breakers filled with inflammable oil shall be provided with door sills or their equivalent, which will confine the oil if leakage or rupture occur, and shall be of fireproof construction. Underground transformers purchased after June 16, 1972, shall be air cooled or cooled with noninflammable liquid or inert gas. Sectional type portable power centers, portable transformers, and distribution centers which are essentially fireproof are not required to be placed on separate splits of air but must be stationed in well ventilated places out by last open crosscuts;

(q) All mine locomotives shall be fused or otherwise protected at the switch or at the nip;

(r) Suitable firefighting equipment shall be located at strategic points along the belt conveyor, and proper fire extinguishers shall be provided at the transfer points. The commissioner may prescribe any other safety measures for the prevention and combating of mine fires as they pertain to conveyor belts. After June 16, 1972, only approved flame resistant belting shall be taken into and used inside any mine, and all underground belt conveyors shall be provided with slippage and sequence switches and with controls at locations recommended by the mine inspector. This does not prevent the use of belting which is being used on June 16, 1972,~~[;]~~ but the use of rubber belting shall be under such conditions as may be prescribed by the commissioner;

(s) Telephone lines shall be provided with lightning arresters where the lines enter the mine and at the boxes on the outside;

(t) Telephone lines crossing trolley wires shall be carefully guarded in a nonconductive conduit;

(u) Insulating mats shall be placed in front of switchboards, beside stationary motors, in decks of locomotives, telephones, etc.;

(v) Ground wires in trailing cables shall be tested periodically for open circuit and~~[/or]~~ high resistance joints;

(w) Power circuits in tipples, buildings, cleaning plants, etc., and all inside electrical circuits shall be deenergized when not in use over a long period;

(x) Where electric circuits cross over or pass under belt conveyors the wiring shall be protected by conduit.

(2) The following shall apply to surface installations:

(a) High-voltage lines shall be at least twenty (20) feet above the ground where there is a possibility of contact by traffic passing underneath;

(b) Protective barriers shall be so constructed between high-voltage wires and telephone wires, trolley circuits, and any other similar conveyor wires or circuits as to prevent their failure by the falling of such high tension lines across such other circuits, wires, or conveyors;

(c) On four (4)-wire circuits, the fourth or neutral wire terminating at transformers, or elsewhere, shall be of substantial construction to minimize any possibility of the wire being cut in two (2) or damaged mechanically;

(d) On low-voltage circuits, wires shall be supported on insulators except when cables made for use without insulators, which are of such design as can be safely used without insulators, are used;

(e) Lightning arresters shall be installed on all ~~[direct current and alternating current]~~ circuits entering a mine, regardless of voltage. Overload protection and disconnect switches ***of sizes and ratings approved by the department*** shall also be provided;

(f) Every metallic building in which electricity is used or connected with any circuit shall be effectively grounded;

(g) All transformer tanks shall be effectively grounded;

(h) Switch boxes, contactors, controllers, and all other similar devices shall be kept free of dust accumulations;

(i) Surface transformer stations shall be housed or fenced in when lower than fifteen (15) feet above the earth, and the fences shall be a minimum of six (6) feet in height.

(3) (a) Notwithstanding any provisions of subsections (1) or (2) of this section, the department may authorize the construction, maintenance, operation, or conducting of any activity regulated by this section, to be constructed, maintained, operated, or conducted in a different manner than specified in any provision of subsections (1) or (2) of this section, when scientific or engineering information is made available to the department substantially indicating that the different manner would afford equal or greater protection and safety than the manner required in subsections (1) or (2) of this section;

(b) The department may prescribe any other regulations with respect to the above ground or underground installations in connection with any mine operation when information is made available indicating that such regulation is reasonably necessary to prevent injury to, or loss of, life and property.

(2) All insurance companies paying a claim pursuant to subsection one (1) of this section shall make payment of the stated charge for service in the following manner:

(a) The insurance company may make the check or draft payable to both the affected property owner and the affected fire department; or

(b) The insurance company may make the check or draft payable solely to the affected fire department.

(3) If an insurance company makes a claim check or draft payable both to the property owner and the fire department, the property owner shall make payment to the fire department within thirty (30) days of receipt of the check or draft. If the claim check or draft is not sufficient to cover the charge levied by the fire department, the property owner shall be responsible for payment of the balance to the fire department.

(4) A property owner who is not a member or subscriber of the fire department who does not have fire insurance coverage shall be fully responsible for payment of all charges levied by a fire department for services rendered in response to a fire, incident, or emergency within thirty (30) days of the date of the response by the department, or within thirty (30) days of the date of an arbitration award rendered pursuant to subsection (2)(c) of Section 6 of this Act. Payment to the fire department shall be in full, unless a written agreement has been reached between the fire department and the property owner to establish a payment schedule to satisfy all charges to the property owner.

SECTION 8. A NEW SECTION OF KRS CHAPTER 75 IS CREATED TO READ AS FOLLOWS:

Nothing in Sections 1 to 7 of this Act shall be construed to conflict with or supersede the authority of the Natural Resources and the Environmental Protection Cabinet, pursuant to the provisions of KRS Chapter 149, over management of forestry areas, and KRS Chapter 224, over management of hazardous wastes, nor the authority of the Division of Disaster and Emergency Services, pursuant to KRS Chapter 39, over response to disasters and emergencies.

Section 9. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Human Resources, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.

(2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and ***volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273***[~~all other organized volunteer fire departments recognized by the Department of Housing, Buildings and Construction as fire departments operated and maintained on a nonprofit basis in the interest of the health, safety, prosperity, and security of the inhabitants of the Commonwealth~~]. The commission shall allot five thousand dollars ($5,000) annually to each qualifying department. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars ($500) of its allotment. The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

(3) There shall be allotted two hundred thousand dollars ($200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars ($200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.

(5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.

(6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

(7) The amount of reimbursement for any given year for costs incurred by the department for administering these funds, including, but not limited to the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.

(8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount

which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

(b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;

(c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

(d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

(e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

(f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) ***If***[~~In the event that~~] a volunteer fire department has met all of the requirements of subsection (9) of this section***,*** the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

(3) Upon presentation of the owner's title showing ***the*** [~~such~~] security interest to the county clerk of a county where the termination statement was not delivered, the county clerk of that county shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If ***the*** [~~such~~] record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered[~~,~~] shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. The owner ***shall*** [~~must~~] see to it that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 ***shall*** [~~must~~] be obtained from the clerk by the owner of the vehicle.

(9) Security interests in vehicles sold to or owned by residents of other states ***shall*** [~~must~~] be perfected in the state of ***the*** [~~such~~] nonresident and repossession of the vehicle ***shall*** [~~must~~] be taken pursuant to the laws of ***that*** [~~such~~] state, unless the vehicle is principally operated in Kentucky and is properly titled [~~herein~~] under KRS Chapter 186A and the security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 6. KRS 186A.190 is amended to read as follows:

(1) The perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. The perfection of an assignment of a security interest which has been noted on the certificate of title shall be in accordance with the provisions of KRS 186.045(1).

(2) The notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter ***shall be*** [~~is~~] by notation on ***the*** [~~such~~] property's certificate of title. In other respects***,*** the security interest ***shall be*** [~~is~~] governed by the provisions of KRS Chapter 355.

(3) Before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, no subsequent title ***shall*** [~~may~~] be issued by any county clerk free of ***the*** [~~such~~] notation unless the owner's title is presented to the clerk and it has been noted thereon[~~,~~] that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk.

(4) No more than two (2) active security interests ***shall*** [~~may~~] be noted upon a certificate of title.

(5) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.

(6) [~~In lieu of any and all fees prescribed by statute and~~] For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive ***the fees prescribed in KRS 64.012. (7) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

(8) At the same time that the security interest is noted on the certificate of title, the county clerk shall promptly transmit, within the time and in the manner prescribed by administrative regulations promulgated by the Secretary of State, the information required by this chapter to the office of the Secretary of State for inclusion in the master index created under the Kentucky Lien Information System established pursuant to Section 1 of this Act.

Subsequent assignment of the original instrument shall not be cause for additional taxation under this section. This section shall not be construed to require any tax upon a deed of release of a lien retained in a deed or mortgage.

(2) Except as provided in subsection (6) of this section a filed financing statement is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five (5) year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six (6) months prior to the expiration of the five (5) year period specified in subsection (2) of this section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.

(4) Except as provided in subsection (7) of this section***,*** a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall***:***

Section 11. KRS 355.9-404 is amended to read as follows:

A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be three dollars ($3). HB 464, AN ACT relating to a lien information system.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 14 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent of the General Assembly that a statewide automated lien information system be created to accumulate and disseminate information to the public, and to any state agency that needs information, relative to lien notations on certificates of title to property issued by the Commonwealth, financing statements, continuation statements, lien releases, amendments and assignments of liens, and other information and lien documents filed pursuant to 26 U.S.C. Section 6321 and KRS Chapters 134, 186, 186A, and 355.

(2) There is hereby created and established within the office of the Secretary of State an independent agency of state government known as the Kentucky Lien Information System. The Secretary of State shall govern and administer the system, and he shall develop and implement the system and coordinate, on a statewide level, the strategic planning relating to the system's creation, operation, sale of data, and maintenance.

(3) The Secretary of State shall make the system operational by April 15, 1996. By November 1, 1994, he shall promulgate all administrative regulations required pursuant to this Act. Section 6321 and KRS Chapters 134, 186, 186A, and 355 to be retrieved by automated means from the system and the master index created under the system by county clerks, the Secretary of State, and other persons designated by administrative regulations promulgated by the Secretary of State.

(5) The system shall require county clerks and the Secretary of State to automatically enter information relative to title lien notation filings, security interests, financing statements, continuation statements, releases, amendments and assignments thereof, and other Uniform Commercial Code and lien documents filed in their offices on or after July 1, 1995, pursuant to 26 U.S.C. Section 6321 and KRS Chapters 134, 186, 186A, and 355, into the system and the master index utilizing telecommunication terminals and associated devices pursuant to administrative regulations promulgated by the Secretary of State.

(6) The system shall include the public's right, at no charge, to search for and inspect, at the offices of each county clerk and the Secretary of State, public records, or reasonable summaries of public records, included in the master index created under the system. Design of the system for public access shall include consideration of the volume of public usage of the system, and all practicable steps shall be taken to assure that members of the public are not unreasonably delayed in their ability to search for and inspect public records included in the master index.

(7) The automated system established pursuant to KRS Chapter 186A shall be used by and integrated into the system where possible, and all cabinets, the Department of Information Systems, and other agencies of state government shall cooperate and assist the Secretary of State in the orderly development and implementation of the system.

(8) The Secretary of State shall employ staff necessary to operate and maintain the system and may transfer funds from the trust account established pursuant to Section 3 of this Act to reimburse the cabinets, departments, and other agencies of state government for the staff time and other resources devoted to assisting the Secretary of State in carrying out his duties as administrator of the system.

The assignee ***may*** [~~shall~~], within thirty (30) days thereafter, present a copy of the statement of assignment to the county clerk in whose office the security interest was noted on the certificate of title. ***The failure of the assignor to give a statement of assignment to the assignee or the debtor or the assignee's failure to present a copy to the county clerk shall not***

affect the validity of the lien or its perfected status, but any person without notice of the assignment is protected in dealing with the assignor as the holder of the security interest. The assignor shall remain liable for any obligations as lienholder until the statement of assignment is provided to the assignee and the debtor and a copy is presented to the county clerk and entered in the automated vehicle information system. Upon receipt of the assignment, the county clerk shall mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the motor vehicle lien statement. The county clerk shall enter ***any*** [~~the~~] assignment of ***a*** [~~the~~] perfected security interest ***presented to the clerk*** into the automated vehicle information system ***and the Kentucky Lien Information System established pursuant to Section 1 of this Act***. For this service the county clerk shall collect a fee pursuant to KRS 64.012.

(2) ***When*** [~~Whenever~~] a security interest has been discharged, other than by proceedings under KRS 355.9-501 to 355.9-507 or similar proceedings, the secured party shall, within ten (10) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the motor vehicle lien statement was submitted. The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of ***the*** [~~such~~] documents, the county clerk shall note the filing in the index, in language prescribed by the cabinet, that the termination statement has been filed ***and shall promptly transmit electronically the filing to the office of the Secretary of State for inclusion in the master index created under the Kentucky Lien Information System established pursuant to Section 1 of this Act, within the time and in the manner prescribed by administrative regulations promulgated by the Secretary of State***. Upon presentation of the owner's title showing ***the*** [~~such~~] security interest to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party, the clerk shall discharge the security interest by noting on ***the*** [~~such~~] title that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's title to the owner. The county clerk shall then file the termination statement in the place from which the motor vehicle lien statement was removed. ***A*** termination ***statement shall*** [~~statements must~~] be retained in the clerk's files for a period of two (2) years subsequent to the date of filing ***the*** [~~such~~] statement, at which time ***it*** [~~they~~] may be destroyed. The fee for these services ***is*** [~~are~~] included in the ***fee for noting the original security interest on the certificate of title for one (1) motor vehicle pursuant to KRS 64.012*** [~~provisions of KRS 186A.190~~].

(3) Upon presentation of the owner's title showing ***the*** [~~such~~] security interest to the county clerk of a county where the termination statement was not delivered, the county clerk of that county shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If ***the*** [~~such~~] record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered[~~,~~] shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If ***the*** [~~such~~] record of termination has not been entered into the automated system, [~~in no case shall~~] the county clerk of the county other than where the termination statement was delivered ***shall not***[~~,~~] make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the motor vehicle lien statement was submitted.

(4) ***When*** [~~Whenever~~] any secured party repossesses a vehicle titled in this state, for which a security interest is in existence at the time of repossession, and disposes of ***the*** [~~such~~] vehicle pursuant to the provisions of KRS Chapter 355, he ***shall*** [~~must~~] present, within fifteen (15) days after ***the*** [~~such~~] disposition, an affidavit in form prescribed by the department***, a copy of the security agreement,*** and a termination statement or proof that ***the*** [~~such~~] termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of ***the*** [~~such~~] documents, the county clerk who issued the lien***, if shown on the title,*** shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by ***the*** [~~such~~] title which is superior to the one under which the vehicle was repossessed, ***shall*** [~~must~~] be shown on the title issued by the clerk unless the prior secured party has discharged ***the*** [~~such~~] security interest in ***the*** [~~such~~] clerk's office or proof of termination is submitted in case ***the*** [~~such~~] prior security interest was discharged in another clerk's office.

(5) ***When*** [~~Whenever~~] any vehicle brought into this state is required to be titled in this state and ***the*** [~~such~~] vehicle is [~~then~~] subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk ***shall be*** [~~is~~] prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or motor vehicle lien statement and presents ***it*** [~~same~~] to the clerk along with the fees required in KRS ***64.012*** [~~186A.190~~]. The clerk shall note the out-of-state security interest on the certificate of title. This provision ***shall*** [~~does~~] not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.

(6) The fees provided for in this section ***shall be*** [~~are~~] in addition to any state fee provided for by law.

(7) Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in

subsection (1) of KRS 186.990.

(8) The county clerk ***shall be*** [~~is~~] prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner ***shall*** [~~must~~] see to it that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 ***shall*** [~~must~~] be obtained from the clerk by the owner of the vehicle.

(9) Security interests in vehicles sold to or owned by residents of other states ***shall*** [~~must~~] be perfected in the state of ***the*** [~~such~~] nonresident and repossession of the vehicle ***shall*** [~~must~~] be taken pursuant to the laws of ***that*** [~~such~~] state, unless the vehicle is principally operated in Kentucky and is properly titled [~~herein~~] under KRS Chapter 186A and the security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 6. KRS 186A.190 is amended to read as follows:

(1) The perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. The notation of the security interest on the certificate of title shall be in accordance with this chapter and remain effective until discharged under this chapter and KRS Chapter 186. The perfection of an assignment of a security interest which has been noted on the certificate of title shall be in accordance with the provisions of KRS 186.045(1).

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter ***shall be*** [~~is~~] by notation on ***the*** [~~such~~] property's certificate of title. In other respects***,*** the security interest ***shall be*** [~~is~~] governed by the provisions of KRS Chapter 355.

(3) Before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, no subsequent title ***shall*** [~~may~~] be issued by any county clerk free of ***the*** [~~such~~] notation unless the owner's title is presented to the clerk and it has been noted thereon[~~,~~] that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk.

(4) No more than two (2) active security interests ***shall*** [~~may~~] be noted upon a certificate of title.

(5) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.

(6) [~~In lieu of any and all fees prescribed by statute and~~] For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive ***the fees prescribed in KRS 64.012. The fee prescribed by this subsection~~] shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.

(7) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

(8) At the same time that the security interest is noted on the certificate of title, the county clerk shall promptly electronically transmit, within the time and in the manner prescribed by administrative regulations promulgated by the Secretary of State, the information required by this chapter to the office of the Secretary of State for inclusion in the master index created under the Kentucky Lien Information System established pursuant to Section 1 of this Act.

Section 10. KRS 355.9-403 is amended to read as follows:

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) of this section a filed financing statement is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five (5) year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six (6) months prior to the expiration of the five (5) year period specified in subsection (2) of this section. Any such continuation statement must be signed by the secured party, identify the original statement by file number and date filed and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five (5) years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) of this section unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.

(4) Except as provided in subsection (7) of this section*,* a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall*:*

(a) Index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement*; and*

(b) Promptly transmit, within the time and in the manner prescribed by administrative regulations promulgated

by the Secretary of State, the information contained in the statement, together with the date and time of filing and file number thereof, to the office of the Secretary of State for inclusion in the master index created under the Kentucky Lien Information System.

(5) The uniform fee for filing and indexing an original or a continuation statement shall be as provided for in KRS 64.012. This fee includes the fee for filing and indexing a termination statement and for sending or delivering the terminated instrument and financing statement.

(6) A real estate mortgage which is effective as a fixture filing under subsection (6) of KRS 355.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

Section 11. KRS 355.9-404 is amended to read as follows:

(1) ***When*** [~~Whenever~~] there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, and identify the original statement by file number and date filed. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be three dollars ($3). The agreement to arbitrate shall specify that the maximum limit on damages which may be awarded in arbitration shall be five hundred thousand dollars ($500,000).

(4) (a) The agreement shall be executed only upon filing a notice of agreement in the Circuit Court which would otherwise have jurisdiction if a civil action were filed in a dispute, controversy, or issue arising out of or resulting from injury to, or the death of, a person caused by an error, omission, or negligence in the performance of a health care provider in Kentucky. All parties shall be present at the hearing in the Circuit Court and shall have a right to consult counsel. If after being advised of their right to consult counsel, the parties choose to waive that right the Circuit Court shall further advise the parties that by executing the arbitration agreement they are waiving:

1. The right to a trial by jury;

2. The right to appeal to the Kentucky and United States appellate courts; and

3. The right to have their case tried pursuant to the Kentucky Rules of Evidence.

(b) The Circuit Court shall allow the agreement to be executed only after the court is satisfied that all of the parties are capable of understanding the waivers set forth in paragraph (a) of this subsection, are executing the waivers without duress or under influence, and do in fact understand the waivers.

(5) The agreement to arbitrate shall state that any issues on appeal of an arbitration decision shall be limited to issues allowed in appeals of arbitration cases generally under state law.

(6) Each party to the agreement to arbitrate shall be entitled to cancel the agreement within three (3) business days by notifying the Administrative Office of the Courts in writing by midnight of the third business day following the date that the party signed the agreement to arbitrate. Written notification is deemed given if mailed or delivered by midnight of the third business day.

(7) The agreement to arbitrate shall state in at least ten (10) point bold faced type the following: "NOTICE TO EACH PARTY TO AGREEMENT TO ARBITRATE: IF WITHIN THREE (3) BUSINESS DAYS YOU DECIDE THAT YOU DO NOT WISH TO SUBMIT THE CASE TO ARBITRATION AND REMAIN A PARTY TO THIS AGREEMENT TO ARBITRATE, YOU MAY CANCEL THIS AGREEMENT BY MAILING A NOTICE TO THE ADMINISTRATIVE OFFICE OF THE COURTS BY MIDNIGHT OF THE THIRD BUSINESS DAY FOLLOWING THE DAY THAT YOU SIGNED THE AGREEMENT TO ARBITRATE. THE WRITTEN NOTICE SHOULD BE MAILED TO THE FOLLOWING ADDRESS: (current address of the Administrative Office of the Courts)."

SECTION 21. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(a) The parties may be represented by counsel, be heard, present evidence material to the controversy, and cross-examine any witness;

(b) The prevailing standard of duty, practice, or care applicable in a civil action shall be the standard applied in the arbitration, except as provided by Section 36 of this Act; and

(c) Damages shall be limited in total value to five hundred thousand dollars ($500,000).

(2) A party may appear without counsel and shall be advised of this right and the right to retain counsel in a manner calculated to inform the person of the nature and complexity of a proceeding by a simple concise form to be distributed by the Administrative Office of the Courts. The agreement to arbitrate shall specify that the parties have the right to representation by counsel during the arbitration proceedings.

(3) Actions commenced under this section shall be in accordance with KRS 413.140.

(4) Issues on appeal of an arbitration decision shall be limited to issues allowed in appeals of arbitration cases generally under state law.

SECTION 22. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(2) An arbitration under Sections 19 to 36 of this Act shall be heard by a panel of three (3) arbitrators. The first panel member shall be an attorney who shall be chosen by the plaintiff from a list of three (3) volunteers submitted to the Administrative Office of the Courts by the Kentucky Academy of Trial Attorneys, pursuant to subsection (3) of this section. The second panel member shall be a health care provider, from the defendant's area of specialty, who shall be chosen by the defendant from a list of three (3) volunteer providers submitted to the Administrative Office of the Courts by the professional provider organization in the same field as the defendant, pursuant to subsection (3) of this section. The third panel member shall be a person chosen by agreement of the provider and attorney panel members from a list of experienced arbitrators who are Kentucky residents. The third panel member shall also serve as chairperson of the panel and shall determine hearing dates and locations.

(3) The third panel member of the panel shall be a qualified experienced arbitrator selected from a pool of candidates generated by the Administrative Office of the Courts. The Administrative Office of the Courts shall send simultaneously to each party an identical list of three (3) arbitrator candidates together with a brief biographical statement on each candidate. A party may strike from the list any name which is unacceptable and shall number the remaining names in order of preference. When the lists are returned, they shall be compared and the first mutually agreeable candidate in each category shall be invited to serve.

(4) Where no mutually agreed upon arbitrator is selected, the Administrative Office of the Courts shall generate a second list for consideration pursuant to the process defined in subsection (3) of this section. Where no mutually agreed upon arbitrator is selected from the second list, the Administrative Office of the Courts shall randomly select the arbitrator.

(5) The parties shall be restricted to the list of panel candidates submitted to them for consideration.

(6) The health care provider panel member shall not reside in the area development district where the defendant provider practices or resides, except upon agreement of the plaintiff and defendant.

(7) The attorney panel member shall not reside in the area development district where the plaintiff's attorney practices or resides, except on agreement of the defendant and plaintiff.

(8) The Administrative Office of the Courts, through its director or the director's designee, shall operate the arbitration process, with the initial claims filed with the Administrative Office of the Courts.

(9) All fees pursuant to subsection (1) of this section shall be submitted to the Administrative Office of the Courts to defray related expenses.

(10) Panel members shall be paid at the rate of one hundred dollars ($100) per day plus an amount for necessary expenses, as determined by the Administrative Office of the Courts.

SECTION 23. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The professional provider organization in the same field as the defendant and the Kentucky Academy of Trial Attorneys shall make an initial screening for bias and shall require a candidate for a particular case to attest and complete a current personal disclosure statement. In addition to other relevant information, the statement shall disclose any personal acquaintance with any of the parties or their counsel and the nature of the acquaintance. If the statement reveals facts which suggest the possibility of partiality, the professional provider organization or the Kentucky Academy of Trial Attorneys shall communicate those facts to the Administrative Office of the Courts. The Administrative Office of the Courts shall make a final screening for bias and may eliminate from consideration any candidate determined to be unreasonably partial. The Administrative Office of the Courts shall communicate any facts regarding the possibility of the partiality of any arbitrator candidate to the defendant and claimant.

(2) Any party may propound reasonable questions to an arbitrator candidate if the questions are propounded within ten (10) days of the receipt of the candidate's name. Questions shall be propounded through the Administrative Office of the Courts, and the candidate shall respond to the Administrative Office of the Courts within ten (10) days of receipt.

(3) A party shall not communicate with a candidate directly or indirectly except through the Administrative Office of the Courts, the professional provider organization in the same field as the defendant, or the Kentucky Academy of Trial Attorneys any time after the filing of the request for arbitration. Any candidate who is aware of a communication shall immediately notify the Administrative Office of the Courts.

SECTION 24. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(3) A person who is not a party to the arbitration agreement may join in the arbitration or be joined at the request of any party with all the rights and obligations of the original parties. Each party to an arbitration under Sections 19 to 36 of this Act shall be required to arbitrate with all parties, whether the parties are original or joined pursuant to this section.

SECTION 25. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Prior to the institution of a proceeding or claim by a patient, any offer of reparations and all communications incidental thereto made in writing to a patient by a health care provider or hospital is privileged and shall not be used by any party to establish the liability or measure of damages attributable to the offeror.

(2) An offer of reparations shall provide that a patient has thirty (30) days to accept or reject the offer, or a lesser period of time as may be necessitated by the condition of the health of the patient.

(3) After any rejection or the lapse of the applicable time, any party may request binding arbitration.

(4) Any offer to a patient shall include a statement that the patient may consult legal counsel before rejecting or accepting the offer.

(5) If a potential claim is identified by a health care provider or hospital where, in its judgment, reparations are not appropriate, the provider may, at its option, file a request for arbitration which shall identify the potential claim and deny liability.

SECTION 26. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) After the appointment of the panel, the parties to the arbitration may take depositions and obtain discovery regarding the subject matter of the arbitration and use and exercise the same rights, remedies, and procedures, and be subject to the same duties, liabilities, and obligations in the arbitration with respect to the subject matter thereof, as if the subject matter of the arbitration were pending in a civil action in Circuit Court.

(2) The panel shall conclude the entire proceeding as expeditiously as possible.

(3) Discovery shall commence no earlier than twenty (20) days after all parties have received a copy of the agreement to arbitrate and shall be completed within five (5) months after the date that the last party received a copy of the agreement to arbitrate.

(4) A party may be granted an extension of time to complete discovery upon a showing that the extension is not the result of neglect and that the extension is necessary in order to avoid substantial prejudice to the rights of the party.

SECTION 27. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The name of any expert witnesses who will be called at the arbitration shall be disclosed to the opposing party, who may depose the witness.

(2) Any party may also provide discovery of that party's expert witnesses by the written interrogatory procedure provided in the Kentucky Rules of Civil Procedure. A party may disclose without request or shall disclose, upon request, the name of each expert the party expects to call at the hearing, the subject matter on which the expert will testify, the substance of facts and opinions to which the expert will testify, and a summary of the grounds for each opinion.

(3) If a party is provided or requests the discovery procedure in subsection (2) of this section and the provision or request occurs prior to the date on which an expert is noticed for deposition or other discovery is commenced under prevailing civil practice, any further discovery of the expert by any other party by deposition or otherwise shall obligate the other party to compensate the expert for time and expenses in a reasonable amount as may be determined by the panel.

SECTION 28. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) An arbitration hearing established pursuant to Sections 19 to 36 of this Act shall adhere to the Kentucky Rules of Civil Procedure.

(2) Testimony shall be taken under oath and a record of the proceedings shall be made by a video tape recording. Any party, at that party's expense, may have transcriptions or copies of the recording made or may provide for a written transcript of the proceedings. The cost of any transcription ordered by the panel for its own use shall be deemed part of the cost of the proceedings.

(3) Expert testimony shall not be required; but if expert testimony is used, it shall be admitted under the same circumstances as in a civil trial and be subject to cross-examination.

(4) The party with the burden of establishing a standard of care and breach thereof shall establish standards, either by the introduction of expert testimony or by other competent proof of the standard and breach thereof, which may include the use of works as provided in subsection (5) of this section.

(5) Authoritative, published works on the general and specific subjects in issue may be admitted and argued from, upon prior notice to all other parties.

(6) The panel shall accord that weight and probative worth to expert evidence which it deems appropriate. The panel may call a neutral expert on its own motion, which expert witness shall be subject to cross-examination by the parties. The cost of the expert shall be deemed a cost of the proceeding.

SECTION 29. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The panel or its chairperson in the arbitration proceeding shall, upon application by a party to the proceeding, and may upon its own determination, issue a subpoena requiring a person to appear and be examined with reference to a matter within the scope of the proceeding, and to produce books, records, or papers pertinent to the proceeding. In case of disobedience to the subpoena, the chairperson or a majority of the arbitration panel in the arbitration proceeding may petition the Circuit Court of the county in which the witness resides or the Circuit Court of the county in which the inquiry is being held to require the attendance and testimony of the witness and the production of books, papers, and documents. A Circuit Court, in case of contumacy or refusal to obey a subpoena, may issue an order requiring the person to appear and to produce books, records, and papers and give evidence related to the matter in question, or which may give rise to matters relevant to the issues in question. Failure to obey the order of the court may be punished by the court as contempt.

SECTION 30. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) On application of a party to the arbitration, the panel or its chairperson may order the deposition of a witness to be taken for use as evidence and not for discovery if the witness cannot be compelled to attend the hearing or if exceptional circumstances exist making it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally at the hearing, to allow the deposition to be taken. The deposition shall be taken in the manner prescribed by law or court rule for the taking of depositions in civil actions.

(2) In addition to the power of determining the merits of the arbitration, the panel may enforce the rights, remedies, procedures, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, consequences, liabilities, sanctions, and penalties as may be imposed in like circumstances in a civil action by a Circuit Court of the Commonwealth, except the power to order the arrest or imprisonment of a person.

(3) For the purpose of enforcing the duty to make discovery, to produce evidence or information, including books and records, and to produce persons to testify at a deposition or at a hearing, and to impose terms, conditions, consequences, liabilities, sanctions, and penalties upon a party for violation of a duty, a party shall be deemed to include every affiliate of the party as defined in subsection (4) of this section. For that purpose, the personnel of an affiliate shall be deemed to be the officers, directors, managing agents, agents, and employees of that party to the same degree as each of them, respectively, bears that status to the affiliate; and the files, books, and records of an affiliate shall be deemed to be in the possession and control of, and capable of production by, the party.

(4) As used in this section, "affiliate" of the party to the arbitration means and includes a party or person for whose immediate benefit the action or proceeding is prosecuted or defended or an officer, director, administrator, member, agent, employee, or managing agent of that party or person.

SECTION 31. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Except for the parties to the arbitration and their agents, officers, and employees, all witnesses appearing pursuant to subpoena shall be entitled to receive fees and mileage in the same amount and under the same circumstances as prescribed by law for witnesses in civil actions in the Circuit Court. The fee and mileage of a witness subpoenaed upon the application of a party to the arbitration shall be paid by that party. The fee and mileage of a witness subpoenaed solely upon the determination of the arbitrator or the majority of a panel of arbitrators shall be paid in the manner provided for the payment of the arbitrator's expenses.

(2) The cost of each arbitrator's fees and expenses, together with any administrative fee, may be assessed against any

party in the arbitration decision or may be assessed among parties in the proportions determined in the arbitration decision.

SECTION 32. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A majority of the panel of arbitrators may grant any relief found to be equitable and just, including money damages, provision for hospitalization, medical, or rehabilitative procedures, support, or any combination thereof.

(2) The panel may order submission of written briefs within thirty (30) days after the close of hearings. In written briefs, each party may summarize the evidence and testimony and may propose a comprehensive award of remedial or compensatory elements.

(3) The panel shall render its decision within thirty (30) days after the close of the hearing or the receipt of briefs, if ordered.

(4) The decision in the arbitration proceeding shall be in writing and shall be signed by the chairperson or by the majority of the panel. The decision shall include a determination of all the questions submitted to arbitration by each party, the resolution of which is necessary to determine the dispute, controversy, or issue.

SECTION 33. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In addition to the decision, the panel shall render a written opinion which states its reasoning for the finding of liability or nonliability, and the reasoning for the amount and kind of any award. A panel member who disagrees with the majority may write a dissenting opinion.

(2) The panel shall determine the degree to which each defendant party was at fault for the total damages accruing to any other party to the arbitration, considering all sources of damage involving parties to the arbitration, but excluding the damages attributable to persons not parties to the arbitration.

(3) The panel shall prepare a schedule of contributions according to the relative fault of each party, which schedule shall be binding as between those parties, but that determination shall not affect a claimant's right to recover jointly and severally from all parties where that right otherwise exists in the law.

SECTION 34. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In the case of an award, any element of which includes remedial services, contracts, annuities, or other noncash award element, the panel shall determine the current cash value of each element of the award and shall also determine a total current cash value of the entire award, which shall not exceed five hundred thousand dollars ($500,000).

(2) An award of remedial surgery or care shall not require that the patient undergo that treatment or care by the health care provider whose conduct resulted in the award.

(3) A claimant may refuse to accept the benefits of an award for remedial surgery or other noncash award element, and the refusal shall not affect the claimant's right to receive any other part of the award, nor shall the refusal entitle the claimant to payment of the current cash value of the portion refused.

SECTION 35. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Administrative Office of the Courts shall transmit to the commissioner of insurance and the applicable licensing board of any defendant party a copy of the demand for arbitration within ten (10) days of filing. A copy of the decision and opinion of the panel shall be transmitted to the same parties within ten (10) days of the filing of the decision and opinion. The decision and opinion shall be filed for informational purposes and the making or filing of the decision and opinion shall not of itself be a ground for discipline.

(2) The commissioner of insurance shall by July 1, on odd numbered years, compile a report of the total number and type of demands for arbitration and the nature of the decisions and opinions reached and shall transmit the report to the Governor, Legislative Research Commission, Interim Joint Committees on Banking and Insurance and Health and Welfare, and the Kentucky Health Policy Board.

SECTION 36. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In each action brought against a health care provider relating to alleged negligence, the arbitration panel created pursuant to Section 22 of this Act, shall consider separately, and render a decision within thirty (30) days, any claim that the plaintiff's allegations were without probable cause or merit or were frivolous. For the purposes of this section, "frivolous" allegations means those allegations found by the arbitration panel to be so totally lacking in merit that the allegation appears to have been made in bad faith.

(2) A claim that an allegation was frivolous or was made without probable cause or merit shall be made by the defendant and asserted in the defendant's initial response to the claim, or the recourse established under this section shall be waived.

(3) If a claim that an allegation was frivolous or was made without probable cause or merit is found to be correct by the arbitration panel, the plaintiff shall pay all associated costs and defendant's attorney fees and other expenses, as determined to be reasonable by the arbitration panel.

(4) If a claim of frivolous allegation or of an allegation without probable cause or merit is found to be incorrect by the arbitration panel, the defendant shall pay all associated costs and the plaintiff's attorney fees and other expenses, incurred to consider the claim, as determined to be reasonable by the arbitration panel.

(5) For the purposes of this section, the standard of proof in arbitration panel hearings shall be whether the health care provider rendered care consistent with applicable practice parameters which existed at the time of service. "Applicable practice parameters" means those guidelines or parameters adopted by the national specialty board governing the procedure or by the federal Agency for Health Care Policy and Research or by other agencies as accepted by the arbitration panel. In the absence of practice parameters adopted by the national specialty board governing the procedure, the federal Agency for Health Care Policy and Research, or other agencies, regarding the procedure which is the subject of the action, the standard of proof in arbitration panel hearings shall be whether the health care provider rendered care consistent with what a reasonably prudent health care provider in the same field that is the subject of the action would render under the same or similar circumstances.

PART 6

SELF-REFERRAL RESTRICTIONS

SECTION 37. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in KRS 205.510 to 205.630, no provider shall knowingly solicit, receive, or offer any remuneration (including any kickback, bribe, or rebate) for furnishing medical assistance benefits or in return for purchasing, leasing, ordering, or arranging for or recommending purchasing, leasing, or ordering any goods, facility, service, or item for which payment may be received regardless of source of payment.

(2) (a) No provider shall knowingly make, offer, or receive a payment, a rebate of a fee, or a charge for referring a recipient to another provider for furnishing of benefits.

(b) Any conduct or activity which does not violate or which is protected under the provisions of 42 U.S.C. sec. 1395nn or 42 U.S.C. sec. 1320A-7B(b), as amended, or federal regulations promulgated under those statutes, shall not be deemed to violate the provisions of this section and the conduct or activity shall be accorded the same protections allowed under federal law and regulation.

(3) Any person who violates subsection (1) or (2) of this section shall be guilty of a Class A misdemeanor unless the combination or aggregation of offenses is valued at three hundred dollars ($300) or more, in which case it shall be a Class D felony. In addition to any other penalty authorized by law, any person who violates the provisions of subsection (2)(a) of this section shall not be entitled to bill or collect from the recipient or any third party payor and shall repay any payments due the Commonwealth for services provided which were related to the referral.

PART 7

TWENTY-FOUR HOUR HEALTH COVERAGE

SECTION 38. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) By January 1, 1995, the Kentucky Health Policy Board shall promulgate administrative regulations pursuant to KRS Chapter 13A authorizing the establishment by March 1, 1995, of pilot projects for twenty-four (24) hour health coverage. The administrative regulations for the pilot projects shall provide that:

(a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;

(b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and

(c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the board, in consultation with the commissioner of the Department of Insurance.

(3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the board for the purpose of developing a twenty-four (24) hour health policy.

(4) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(5) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under KRS Chapter 342, the employer shall also procure an

insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by KRS Chapter 342.

(6) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the Kentucky Health Policy Board.

(7) Each insurer authorized or licensed to write insurance in the Commonwealth shall cooperate with the board and shall provide any information requested by the board for the purpose of studying twenty-four (24) hour health policy.

(8) Each agency of state government shall cooperate with the board if requested to provide information for the purposes of this section.

Section 39. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employee may select the physician to treat ***the*** [~~his~~] injury, and the hospital in which ***treatment may be rendered*** [~~he shall be treated~~]. The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of such services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter if appropriate as long as medical services are rendered.

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall initially pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces.

(4)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat ***the*** [~~his~~] injury or disease, or because of the hospital selected by the employee in which ***treatment is being rendered*** [~~he is being treated~~], that the employee is not receiving proper medical treatment and ***the*** [~~his~~] recovery is being substantially affected or delayed; or that the funds for [~~his~~] medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for ***the*** [~~his~~] injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(5)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury for which the employee claims compensation.

Section 40. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to ***each employee*** [~~every one of his employees~~] subject to this chapter, except as otherwise provided in KRS 342.345 ***or Sections 38 to 39 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to ***each employee*** [~~all his other employees~~] subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART 8

CERTIFICATE OF NEED

Section 41. KRS 216B.010 is amended to read as follows:

The General Assembly finds that the licensure of health facilities***,*** [~~and~~] health services***, and health care providers*** is a means to insure that the citizens of this Commonwealth will have safe, adequate***,*** and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within the Commonwealth. Therefore, it is the purpose of this chapter to ***fully authorize and empower the Kentucky Health Policy Board to perform any certificate-of-need function and other statutory functions necessary to improve the quality and increase access to health care facilities, services, and providers, and to create a cost-efficient health care delivery system for the citizens of the Commonwealth. The Kentucky Health Policy Board may recommend to the Kentucky General Assembly methods to increase access to health care facilities, services, and providers*** [~~provide for the establishment of the Commission for Health Economics Control in Kentucky for the purpose of acting on applications for certificates of need~~].

(3) "Applicant" means ***any physician's office requesting a major medical equipment expenditure of five hundred thousand dollars ($500,000) or more or*** any person, health facility, or health service requesting a certificate of need or license***, from the Kentucky Health Policy Board***.

(5) "Cabinet" means the Cabinet for Human Resources.

(6)[~~(5)~~] "Capital expenditure" means an expenditure made by or on behalf of a health facility which:

PART 10

INSURANCE REFORMS

SECTION 72. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 72 to 79 of this Act, unless the context requires otherwise:

(1) "Board" means the Kentucky Health Policy Board created by Section 2 of this Act.

(2) "ERISA" means the Employee Retirement Income Security Act of 1974, 29 U.S.C. Sec. 1001, et seq., as amended.

(3) "Guaranteed-issue basis" means that no applicant for insurance can be turned down except for nonpayment of premiums.

(4) (a) "Health benefit plan" means any hospital or medical expense policy or certificate; nonprofit hospital, medical-surgical, and health service corporation contract or certificate; a self-insured plan or a plan provided by a multiple employer welfare arrangement, to the extent permitted by ERISA; health maintenance organization contract; and standard health benefit plans as established in Section 79 of this Act.

(b) "Health benefit plan" does not include policies covering only accident, credit, dental, disability income, long-term care, Medicare supplement, specified disease, vision care, coverage issued as a supplement to liability insurance, insurance arising out of a workers' compensation or similar law, automobile medical-payment insurance, or insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance.

(c) "Health benefit plan" means a health benefit plan which affects the rights of a Kentucky insured and bears a reasonable relation to Kentucky, whether delivered or issued for delivery in Kentucky.

(5) "Insurer" means a person who provides heath benefit plans in this state and is subject to insurance regulation in this state, including an authorized insurance company, health maintenance organization, self-insurer or multiple welfare arrangement not exempt from state regulation by ERISA, accountable health plans as defined in Section 65 of this Act, and nonprofit hospital, medical-surgical, dental, and health service corporation.

SECTION 73. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after July 15, 1995, shall comply with the following provisions:

(1) All health benefit plans shall be renewable with respect to all eligible persons and dependents at the option of the policyholder or contract holder, except:

(a) For nonpayment of the required premiums by the policyholder or contract holder;

(b) For fraud or misrepresentation of the policyholder or contract holder;

(c) For noncompliance with health benefit plan provisions;

(d) If the insurer ceases doing business in Kentucky and notice of the decision to cease to do business in Kentucky is provided to the Kentucky Health Policy Board, the department, and to either the policyholder or contract holder. Health benefit plans shall not be canceled by the insurer for one (1) year after the date of the notice required under this paragraph unless the business has been sold to another insurer. An insurer that ceases to do business in Kentucky shall not reenter Kentucky for a period of five (5) years from the date of the notice required under this paragraph.

(2) (a) Pre-existing conditions provisions shall not exclude or limit coverage for a period beyond six (6) months following the individual's effective date of coverage and may only relate to conditions which had, during the six (6) months immediately preceding the effective date of coverage, manifested themselves in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which

medical advice, diagnosis, care, or treatment was recommended or received or as to a pregnancy existing on the effective date of coverage;

(b) In determining whether a pre-existing conditions provision applies to a person covered under a plan, all health benefit plans shall credit the time the person was covered under a previous health benefit plan provided by an insurer if the previous coverage was continuous to a date not more than sixty (60) days prior to the effective date of the new coverage.

(3) Health care benefit plans shall not discriminate against any provider who is located within the geographic coverage area of the health benefit plan and is willing to meet the terms and conditions for participation established by the health benefit plan.

(4) (a) Health benefit plans shall guarantee that all licensed and qualified providers that perform the same service shall be offered the opportunity to bid for contracts with the health benefit plans.

(b) If the commissioner finds after a hearing that the insurer has violated the provisions of this subsection, the insurer shall be subject to the penalties provided in subsection (1) of KRS 304.3-200.

(5) It shall be the responsibility of the health care provider who renders services to an insured to initiate and comply with any pre-certification process required by a health benefit plan that requires advance review and authorization to obtain any covered service under the health benefit plan. The insured shall not be liable to the health care provider for any charges for covered services not paid by the plan because of a reduction in benefits due to the failure of the health care provider to comply with the pre-certification provisions in the plan.

SECTION 74. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provisions of this chapter to the contrary:

(a) Each insurer maintaining policies or contracts under this chapter on February 1, 1994, shall, by September 1, 1994, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers in effect on February 1, 1994.

(b) Each insurer that issues, delivers, or renews any policy or contract after October 1, 1994, shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of subsection (2) of this section.

(c) Each insurer that issues, delivers, or renews any standard health benefit plan under Section 79 of this Act shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of subsection (2) of this section.

(2) (a) No filing under paragraphs (b) or (c) of subsection (1) of this section shall become effective until the Kentucky Health Policy Board, created by Section 2 of this Act, has issued an order approving the filing within thirty (30) days after receiving the filing. At the expiration of the thirty (30) day period, the filing shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the Kentucky Health Policy Board or a hearing has been held. The Kentucky Health Policy Board may hold a hearing within thirty (30) days after receiving a filing under this subtitle and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(b) In approving or disapproving a filing under paragraph (a) of this subsection, the Kentucky Health Policy shall consider:

1. Whether the benefits provided are reasonable in relation to the premium or fee charged;

2. Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

3. Previous premium rates or fees for the policies or contracts to which the filing applies;

4. The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

5. Whether discounts given to providers are reflected in the premium or fee; and

6. Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory.

(c) Not less than ten (10) days in advance of a hearing held under paragraph (a) of this subsection, the Kentucky Health Policy Board shall notify the Attorney General in writing of the hearing. The Attorney General shall be considered a party to the hearing if the Attorney General chooses to participate.

(d) No insurer receiving the Kentucky Health Policy Board's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.

(e) At any time, the Kentucky Health Policy Board, after a public hearing of which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund to policyholders, enrollees, and subscribers if the board determines that the benefits are no longer reasonable in relation to the premium or fee charged.

(3) The Kentucky Health Policy Board may by administrative regulation prescribe any additional information it deems relevant to be included in the filings and the form of the filings required by this section.

(4) As a condition of doing business in Kentucky, each insurer as defined in Section 72 of this Act shall comply with the provisions of this section.

SECTION 75. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For all health benefit plans issued or renewed on or after July 15, 1995, insurers shall use a modified community rating methodology filed with and approved by the Kentucky Health Policy Board in which the premium for each individual policy and group policy is determined solely on the basis of age, geography, family composition, benefit plan design and cost containment provisions, and whether or not the product is offered through an alliance.

(2) Premium variations based on age shall not vary more than three hundred percent (300%) from the lowest to the highest price.

(3) The Kentucky Health Policy Board shall establish guidelines for geographic rating areas that take into consideration the following:

(a) Geographic rating should not be used to prevent areas with lower cost, more efficient delivery systems from cross-subsidizing areas where health benefit plans and providers operate inefficiently;

(b) Geographic rating shall not increase rates of higher risk and needier populations relative to healthier and wealthier populations, nor to effectively discriminate on the basis of race or socio-economic class; and

(c) Geographic rating areas may include entire communities and single metropolitan statistical areas but shall not fold lower cost and lower income rural areas into the same rating areas as higher cost urban areas.

(4) The rate structure shall differentiate between single individuals, couples, single-parent families, and two-parent families with children.

SECTION 76. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall promulgate administrative regulations for the establishment of a risk adjustment process to be used in equalizing risk between insurers which participate within and outside of the Kentucky Health Purchasing Alliance.

(2) Prior to promulgating the administrative regulations, the board shall appoint an expert advisory panel to provide input on the process. The panel shall be comprised of nine (9) members, one (1) of whom shall be designated by the board as chairman. The board shall appoint three (3) members and the President of the Senate and the Speaker of the House of the General Assembly shall each appoint three (3) members to the panel. The appointees shall be named no later than September 1, 1994, and shall consist of individuals with expertise particularly germane to risk adjustment, including representatives of health plans, academics, and actuaries.

(3) The risk adjustment process shall at minimum be based on gender, retiree status, continuation status, and medical condition information which represent the relative risk of individuals participating with various insurers. The risk adjustment process is not intended to, and shall not, neutralize cost variations among insurers based on efficiency, ability to manage health costs and patient care, and the administration of policy provisions. The process shall not base adjustment for insurers on their individual premiums, administrative expenses, claims, or use of health care services. Preset amounts shall be established to reflect the demographic and medical risk characteristics of individuals enrolled by insurers.

(4) The risk adjustment process shall be administered by the board so that the process can be applied on a marketwide basis. All insurers shall submit information designated by the board as necessary to administer the risk adjustment process. All insurers shall contribute on an annual basis a preset amount for each person covered toward the establishment and administration of the risk adjustment process. Insurers shall receive from, or contribute amounts to, the board based on the insurer's relative risk profile as determined by the risk adjustment process.

(5) The risk adjustment process shall be established by no later than April 1, 1995. The board may authorize one (1) or more pilot projects as part of an ongoing reevaluation and refinement of the risk adjustment process.

SECTION 77. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after July 15, 1995, which provide coverage for a family member of the insured shall provide that the health plan benefits applicable for children shall be payable with respect to legally adopted children of the insured or any child for which the insured is a court-appointed guardian from and after the date of the filing of the petition for adoption or the filing of the application for appointment of guardian.

SECTION 78. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, it is an unfair trade practice for an insurer as defined in Section 72 of this Act, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of paragraphs (a) and (b) of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured.

(3) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by subsections (1) and (2) of this section.

SECTION 79. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall define no more than five (5) standard health benefit plans, one (1) of which shall be a basic benefit plan, and one (1) of which shall be comparable to the coverage provided under Kentucky Kare Standard as of January 1, 1994. The board may define a limited number of supplemental health benefit plans. The board shall submit the plans to the commissioner and the Legislative Research Commission no later than February 1, 1995. The commissioner shall review the plans and return them with written comments to the board within thirty (30) days of receipt. After consideration of the commissioner's and the Legislative Research Commission's comments, the board shall give final approval to the standard health benefit plans no later than April 1, 1995, and the plans shall become operational on July 15, 1995.

(2) Notwithstanding any other provision of this chapter to the contrary, on and after July 15, 1995:

(a) No insurer doing business in Kentucky shall issue or renew health benefit plans other than the standard health benefit plans established by the board, and any of the standard health benefit plans offered shall be offered on a guaranteed-issue basis;

(b) Every insurer shall, as a condition of transacting business in this state, offer and issue the basic health benefit plan on a guaranteed-issue basis;

(c) An insurer may elect to offer health benefit plans only to individuals and groups that purchase coverage through the Kentucky Health Purchasing Alliance and not offer coverage to individuals and groups that purchase coverage outside of the alliance; and

(d) No insurer shall exclude any eligible person or dependent, who would otherwise be covered under a group health benefit plan, on the basis of an actual or expected health condition of the person.

(3) Each of the standard health benefit plans shall be in two (2) forms, one (1) of which shall be in the form of insurance and the second of which shall be consistent with the basic method of operation and benefit plans of health maintenance organizations, including federally-qualified health maintenance organizations. Each of the standard plans shall provide for two (2) levels of cost sharing. The board shall take into consideration the levels of benefits currently provided in health benefit plans in Kentucky and appropriate medical and economic factors. The plans shall include cost containment features, such as utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; contracting with hospitals, physicians, and other health care providers; reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions. If a standard benefit plan issued by an insurer covers services which the plan's beneficiaries lawfully obtain from health departments established pursuant to KRS Chapter 212 in medically-underserved areas designated by the Kentucky Health Policy Board, that insurer shall pay

the plan's established rate for those services to the health departments.

(4) All policies and contracts providing health care benefits issued or renewed on or after July 15, 1995, shall be uniform in structure, language, designation, and format to the standard benefit plans defined by the board and shall be filed with and approved by the board before being delivered or issued for delivery in Kentucky.

(5) The board shall inform residents of Kentucky of the existence and provisions of the standard benefit plans. The board shall develop an outline and chart of coverage that describes the features of each of the standard benefit plans available in Kentucky. The board shall broadly publicize a twenty-four hour toll-free telephone number for information on health care benefit plans available in Kentucky.

(6) The commissioner and the department shall render assistance on approval of plans and any other insurance matter as requested by the board.

(7) Any insurer that between the effective date of this Act and July 15, 1995, knowingly and willfully terminates coverage of any insured or dependent solely because the insured is eligible for coverage through the Kentucky Health Purchasing Alliance shall be prohibited from issuing or delivering any health benefit plan in the Commonwealth for a period of five (5) years from the date of exclusion.

Section 80. KRS 304.5-160 is amended to read as follows:

(1) No health insurance contracts, plans, or policies delivered or issued for delivery in the state shall provide coverage for elective abortions except by an optional rider for which there must be paid an additional premium. For purposes of this section, an "elective abortion" means an abortion for any reason other than to preserve the life of the female upon whom the abortion is performed.

(2) This section shall be applicable to all contracts, plans, or policies of:

(a) All health insurers subject to Subtitle 17 of KRS Chapter 304; and

(b) All group and blanket health insurers subject to Subtitle 18 of KRS Chapter 304; and

(d) All health maintenance organizations subject to Subtitle 38 of KRS Chapter 304; and

(e) Any provision of medical, hospital, surgical, and funeral benefits and of coverage against accidental death or injury, when such benefits or coverage are incidental to or part of other insurance described in KRS 304.5-070(1); ~~[and]~~

(f) ***All insurers subject to Subtitle 17A of KRS Chapter 304; and***

(g) All employers who provide health insurance for employees on a self-insured basis.

SECTION 81. A NEW SECTION OF SUBTITLE 38 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, no health maintenance organization shall deliver or issue for delivery in this state any contract describing health benefits available, or any endorsement, rider, or application which becomes a part thereof, or any amendments thereto or modifications thereof, until a copy of that form has been filed with and approved by the Kentucky Health Policy Board created pursuant to Section 2 of this Act. Each form shall contain a complete and clear statement of:

(a) The health care services to which the enrollee is entitled;

(b) Any limitations on the services, kind of services, benefits to be provided, including any deductible or copayment feature;

(c) Where and in what manner information is available as to how services may be obtained; and

(d) Any other provisions pertaining to the delivery of health care services.

(2) At the expiration of thirty (30) days, the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the board, or a hearing has been scheduled by order of the board. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the board shall constitute a waiver of any unexpired portion of such waiting period. The board may extend by not more than an additional thirty (30) day period within which the board may affirmatively approve or disapprove any such form by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The board may at any time withdraw any such approval.

SECTION 82. A NEW SECTION OF SUBTITLE 32 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, no corporation subject to the provisions of this subtitle shall deliver or issue for delivery

(2) At the expiration of thirty (30) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the board, or a hearing has been scheduled by order of the board. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the board shall constitute a waiver of any unexpired portion of such waiting period. The board may extend by not more than an additional thirty (30) day period within which the board may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The board may at any time withdraw any such approval. Any notice of the board withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonable to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at the expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the board shall in such notice prescribe.

(3) The board's order disapproving any form or withdrawing previous approval shall state the grounds for disapproval or withdrawal.

(4) The board may, by order, exempt from the requirements of this section for so long as the board deems proper, any document or form specified in the order, to which in the board's opinion this section may not practicably be applied, or the filing and approval of which are, in the board's opinion, not desirable or necessary for the protection of the public.

Section 83. KRS 304.32-160 is amended to read as follows:

(2) At the expiration of thirty (30) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner, or a hearing has been scheduled by order of the commissioner. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than an additional thirty (30) day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may at any time withdraw any such approval. Any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonable to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at the expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(3) The commissioner's order disapproving any form or withdrawing previous approval shall state the grounds for disapproval or withdrawal.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper, any document or form specified in the order, to which in his opinion this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

It shall engage in no further advertising or solicitation whatsoever. The commissioner may, by written order, permit such further operation of the organization as he may find to be in the best interest of enrollees, to the end that enrollees will be afforded the greatest practical opportunity to obtain continuing health care coverage. Section 119. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the Cabinet for Human Resources undertakes to pay shall be designated and limited by regulations promulgated by the cabinet, pursuant to the provisions in this section. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of Medical Assistance Program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for Human Resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

Eyeglasses shall be provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein;

(h) Services provided by health care delivery networks as defined in KRS 216.900; and

(i) Services provided by midlevel health care practitioners as defined in KRS 216.900.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Human Resources with respect to the bases for payment. In determining the rates of reimbursement for long-term care facilities participating in the Medical Assistance Program, the Cabinet for Human Resources shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the U. S. Department of Labor. Medically equipped motor vehicles, vans or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Human Resources if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Human Resources. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the Cabinet for Human Resources shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the

Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advance registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) No long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for medicaid reimbursement. No facility may decertify a bed occupied by a medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Family practice physicians practicing in geographic areas with no more than one (1) primary care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

(11) The Cabinet for Human Resources shall not expand the scope of services or categories of eligible recipients beyond those receiving services on January 1, 1994, unless:

- *(a) The expansion of the scope of services or eligible recipients is mandated by the federal government; or*
- *(b) The General Assembly has specifically appropriated funds for the expansion of the scope of services or eligible recipients.*

(12) The provisions of subsection (11) of this section shall not prevent the Cabinet for Human Resources from petitioning the federal government for waivers to expand or alter the Medicaid program. The cabinet shall notify the Legislative Research Commission in writing prior to petitioning the federal government for any waiver that will expand or alter the Medicaid program. The notification shall describe the expansion or amendment sought and the estimated fiscal impact of the waiver if granted. Any waiver granted that has the effect of expanding the scope of services or eligible recipients shall not be implemented until specifically authorized by the General Assembly. The provisions of this subsection shall apply to any waivers that have been granted but not implemented as of January 1, 1994, as well as any waivers obtained in the future.

(13) For all medicaid covered long-term care services, the Cabinet for Human Resources shall implement a standardized patient assessment tool, develop additional medicaid reimbursement methodologies as may be needed, and implement consistent quality of care mandates.

(1) Except for the development of a reimbursement methodology under Section 129 of this Act, the implementation of Sections 129 to 136 of this Act, shall only become effective when the board, in its discretion, makes a finding that the state's total health-care expenditure in the target year, defined as the most recent year for which data is available, exceed the state's health expenditure target for the same year. (2) Each health care provider shall use the uniform accounting and financial reporting system.

(3) As required by this section, the board may allow and provide for modifications in the uniform accounting and financial reporting system to reflect correctly any differences among health care providers by type, size, financial structure, or scope or type of service.

(4) The board shall use generally accepted accounting principles to establish or negotiate rates for each health care provider or class of health care providers.
